

Salisbury City Council Agenda Item Request Form

Please Select Submission Category: ☐ Public ☐ Council ☐ Manager ☒ Staff

Requested Council Meeting Date: 9/20/2022

Name of Group(s) or Individual(s) Making Request: Salisbury Police Department/Chief Jerry Stokes

Name of Presenter(s): Chief Jerry Stokes

Requested Agenda Item: Authorize the City Manager to enter into a five year contract with Axon to provide SPD Taser and Body Cameras. First year funding of \$200,000 is budgeted in FY2023 SPD budget. Subsequent year's costs are \$240,918 per year. Total five year contract cost \$1,163,675.

Description of Requested Agenda Item: Approve entering into a five year Taser and Body Camera contract.

Attachments: ☒ Yes ☐ No

Fiscal Note: (If fiscal note requires approval by finance department because item exceeds \$100,000 or is related to grant funds, please fill out signature blocks for finance at bottom of form and provide supporting documents)

The FY22 budget provides \$200,000 to cover the first year of this agreement. Subsequent payments will be budgeted in future fiscal years.

Action Requested of Council for Agenda Item: (Please note if item includes an ordinance, resolution or petition) Approve Contract

Contact Information for Group or Individual: Chief Jerry Stokes, SPD 704-638-5333

☒ **Consent Agenda** (item requires no discussion and will be voted on by Council or removed from the consent agenda to the regular agenda)

☐ **Regular Agenda** (item to be discussed and possibly voted on by Council)

FINANCE DEPARTMENT INFORMATION:

Finance Manager Signature

Department Head Signature

Budget Manager Signature

*****All agenda items must be submitted at least 7 days before the requested Council meeting date*****

For Use in Clerk's Office Only

☐ Approved ☐ Delayed ☐ Declined

Tax is estimated based on rates applicable at date of quote and subject to change at time of invoicing. If a tax exemption certificate should be applied, please submit prior to invoicing.

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at www.axon.com/legal/sales-terms-and-conditions), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.

ATTENTION

This order may qualify for freight shipping, please fill out the following information.

Who is the receiving contact and what is the contact phone number for this shipment?	
What are the receiving hours of operation?	
Is a loading dock available for this incoming shipment? If yes, are you able to unload pallets from the trailer or will the driver need to assist with unload?	
Do you have a forklift and/or pallet jack to transport pallets into your facility?	
Are there any delivery restrictions (no 53' trailers, no box trucks, etc.)?	

AXON OSP 7+ BUNDLE 5 QUOTE SUMMARY

Salisbury Police Department

Axon Enterprise, Inc.
17800 North 85th Street
Scottsdale, AZ 85255

Main Contact:

Axon:
Christian Gardner
(480) 502-6209
cgardner@axon.com

Axon's Officer Safety Plan package bundles hardware, software, accessories, training programs, equipment refreshes and warranties together. The program outfits Salisbury Police Department officers with solutions needed to record evidence, save time and effectively police while staying safe.

The Salisbury Police Department and Axon Enterprise, Inc. (Axon) will be partnering to deliver a Conducted Electrical Weapon (CEW) and Body Worn Camera (BWC) program at a cost of **\$1,163,675.24** over 5 years. We have also included an incentive of **\$40,918.81** set to expire after Sept. 29, 2022. The cost after tax will total **\$1,206,130.64**.

The unbundled price of the 5-year program would be **\$1,392,145.79** before tax. Our goal is to deliver predictable annual spend, and the best technology in order to reduce your agency's liability while increasing your agency's efficiency and, most importantly, safety.

Axon represents the entire network of devices, applications and people that is revolutionizing public safety around the world. Our mission is to protect life. Our technologies give law enforcement the confidence, focus and time they need to keep their communities safe. Today our CEWs are in use in more than 18,000 agencies globally, and our other Axon family of products are in use by more than 6,000 agencies. Our suite of connected products from body cameras to evidence management offers police agencies the flexibility, and versatility, to operate with increased transparency and efficiency.

Timeline:

Typical implementation for the entire solution once the quote is signed is about 3 months.

Next Steps:

Paperwork we need the agency to sign:

A message from our CEO and founder Rick Smith

WHERE DO WE GO FROM HERE?

<https://www.axon.com/news/where-do-we-go-from-here>

Evidence.com

Axon Evidence is a scalable, cloud-based system that consolidates all of your digital files, making them easy to manage, access, and share. Now you can also know your evidence is securely stored in Microsoft Azure's Government cloud, and that any activity is captured in audit trails to ensure chain of custody and evidence authenticity.

Axon Body 3

The Axon Body 3 camera is a rugged communications beacon front-and-center on every call. Featuring our new Axon Aware technology and an LTE connection that enables real-time features like GPS; Body 3 empowers officers with more support in the moment. Coupled with enhanced low-light performance and reduced motion blur, that means clearer evidence in the now, more efficient AI-powered processes after the fact, and most importantly, safer communities in the long run.

The Rowan County Sheriff's Office is entrenched in a program parallel to the equipment set for the Salisbury Police Department. Through Bluetooth signals, like Signal Sidearm, Taser 7 activation or in-car triggers, the Axon Body 3 will automatically activate to record in concert with neighboring agencies utilizing the equipment.

Sharing Evidence

Easily manage evidence access internally and externally.

Share External Access with district attorneys. Internal members of the agency are also able to control access internally as well.

The screenshot displays the Axon Evidence.com web interface. On the left, the 'Manage Access' panel shows 'Inside My Agency' with 826 users and 'Outside My Agency' with 0 users. A 'SHARE' button is visible. The main area shows a video thumbnail titled 'Axon Body 3 Video 2022-07-11 1'. On the right, the 'Manage Shares' panel shows an 'ACCESS LIST' with 0 users and an 'Add to access list' section with a search box containing 'districtattorney@ia.com'. Below this, the 'Access Class' section shows 'Restricted' selected. At the bottom, there is a table with columns: NAME, MEMBERS, ACCESS TYPE, DURATION, and ADDED ON.

Advantages in Upgrading to the TASER 7

CURRENT TASER MODELS

X26Ps: (8) X26Ps from May 2013, (39) X26P February 2017, (30) X26P from July 2017

- ❖ Single-shot weapons
- ❖ X26P Manufactured in 2013
- ❖ Nine-foot minimum for full probe spread

AGE AND STATUS OF CURRENT TASER CEWS

TASER AGES: Useful life of all tasers at Salisbury PD is expired, according to purchasing records.

5-YEAR USEFUL LIFE RECOMMENDATION FOR ALL TASER WEAPONS

- 1) High voltage electronic components wear out over time and may not operate as expected.
- 2) Weapons that are more than 5 years old *are 2x more likely to fail in the field.*

WHAT IT MEANS FOR YOU

This recommendation is
NOT an expiration date,
but guidance only

5-year useful life
recommendations are common
in the industry for other
products like body armor

A \$10 million liability insurance
policy is extended to all of our
customers, but won't cover worn-out
components older than 5 years*

*However, in the event that a TASER CEW fails due to a worn-out electronic component that is older than 5 years, our insurance would not cover this claim, and AXON would not be liable for any resulting injuries.

- | **CONFIDENCE IN ACTION:** *Dual shot for extra coverage in case of miss or disconnect*
- | **WARNING ARCH FOR DEESCALATION:** *Warning arc emits audible noise that may deter subjects without needing to deploy*
- | **ENHANCED CLOTHING PENETRATION:** *Double kinetic energy of past models for better penetration/fewer disconnects*
- | **FLEXIBILITY WITH DEPLOYMENT DISTANCES:** *New cartridges designed for both close-quarter ranges and standoff distances*
- | **SMOOTH TRANSITION:** *Similar in size to X26P and smaller than X2 for easy transition*
- | **IMPROVED TARGETING:** *Daytime green LASER and dual LASERs lets users get a better sense of where the probes are aimed*

FIRST SHOT EFFECTIVENESS:

The graphic below represents an analysis of CEW deployments indicating that an average of 90% occur within 10' of a subject. Within this range, the X26P with standard duty cartridge requires a minimum of 7' between the weapon and subject in order to reach optimal probe spread necessary to achieve incapacitation.

For context, the New Orleans Police Department, by example, identified that 49.32% (693) of 1407 CEW deployments occurred within 5 feet of the subject, a range within which the X2 and X26P would not incapacitate, while the TASER 7 could.

TARGET ATTACHMENT

The TASER 7 rate of probe deployment is 28% faster than the X26P with 1.8X the kinetic energy upon impact. With heavier probes traveling more than 20 feet per second faster than the X26P, this increase in kinetic energy results in increased clothing compaction in order to facilitate successful incapacitation upon suspects wearing loose clothing, puffy garments, or multiple layers of clothing. At distance of 7', the TASER 7 is 15% more effective at clothing penetration/compaction than the X26P. Also because of these enhancements, the TASER 7 better penetrates thick material (including leather belts) at a rate of 28% more effective than the X26P at 1' and 6% better at 7'.

EFFICIENCY OF WORKFLOW

A time study comparing TASER 7 vs. TASER X26P and found that the Dock and Go workflow of TASER 7 may save agencies up to 4-man hours per year per CEW by automating data downloads and firmware upgrades, whereas the X26P requires hands-on legacy administrative support by agency staff.

TASER 7 delivers the safest, most effective less-lethal device in the history of law enforcement

- ❖ Dramatically improved chances of First Shot Effectiveness at the distances to target where 90% of Use of Force Encounters occur, eliminating the absence of incapacitation which occurs when probes attach too close to one another by offering optimal probe spread within the range most common for force deployments.
- ❖ Exponentially more probable Target Attachment than any model to date as probes arriving on target with greater velocity and weight impact with twice the kinetic energy, offering dramatically increased clothing compaction and adherence to more targets, more often.
- ❖ Dramatically improved Effectiveness Upon Impact through an optimized application of electricity as adaptive cross connection requires devices to actively seek and exploit every possible path of electricity between every probe deployed, and to engage in this pursuit up to 44 times each second.
- ❖ A paradigm shift forward in proactive, industry leading Training consistent with modern police training standards requiring scenario-based and repetitive applications for minimal effectiveness under the stress and dynamic pace of real-world applications.
- ❖ The only use of force option which leverages the potential and Power of the Cloud as a device which will routinely deliver better, more actionable Use of Force data to every program administrator while simultaneously seeking constant software evolution, enhancement, and optimal maintenance.
- ❖ A leap forward in the Efficiency of Workflow as frequent, consistent, and routine Cloud connectivity with imperceptible impact on the daily routine of officers eliminates substantial man hours otherwise required of program administrators to seek, touch, and manipulate devices in order to leverage their data and maintain their effectiveness. With the added benefit of re-conditioning and recharging batteries rather than replacing them with every depletion, this dock-and-walk standard now offers remote CEW program command capability.

Officer Safety Plan Executive Summary

Keeping your community safer and saving critical budget by bundling our products and services. This program provides your agency with next-generation devices and software, delivering seamless integration, budget predictability and automatic upgrades.

Hardware:

Axon Body 3 isn't just a camera: it's a rugged communications beacon front-and-center on every call. Featuring enhanced low-light performance, reduced motion blur, and LTE connectivity.

- (103) Axon Body 3 Cameras
- (3) Spare Axon Body 3 Cameras
- (7) Axon Body 3 Docks for charging and evidence offload
- (100) Taser 7s
- (3) Spare Taser 7s
- (120) Taser 7 Tactical Batteries
- (1) Taser 7 Dock
- (85) Taser 7 Blackhawk right-handed holsters
- (15) Taser 7 Blackhawk left-handed holsters
- (1) Master Instructor Certificate
- (5) Basic Instructor Certificate
- (2) HALT Suits
- (100) Signal Side Arm kits
- (200) Signal Sidearm Batteries
- (50) Stand Off Inert Cartridges
- (50) Close Quarter Inert Cartridges
- (32) Flex 2 Cameras
- (1) Spare Flex 2
- (32) Flex 2 Controllers
- (36) Flex 2 USB-C to USB-A Cable
- (110) AB3 Flexible Magnet Mounts
- (2) Taser 7 Target and Frame

Cartridge Deliverables (Each Officer):

- ❖ (8) Training cartridges in Years 1 and 3
 - (2) Close Quarter, (2) Stand-Off [**Live Cartridges**]
 - (2) Close Quarter, (2) Stand-Off [**HALT Cartridges**]
- ❖ (4) Training cartridges in Years 2, 4, 5
 - (2) Close Quarter [**Live Cartridges**]
 - (2) Stand-Off [**Live Cartridges**]
- ❖ **Unlimited Duty Cartridge Replenishment**
 - Each officer will receive (2) Live Close Quarter and (2) Live Stand-Off duty cartridges
 - Cartridges deployed on-duty are replaced as a part of the plan

Software:

Complete your case with a powerful case management experience, including bulk actions, access controls, and automated suggestions. And save time with efficiency tools like redaction assistant.

- (102) Evidence.com Professional Licenses
- (100) Unlimited Storage Licenses
- (1) Evidence.com Viewer License
- (101) Taser 7 evidence.com Licenses
- (100) Redaction Assistant
- (100) Standards Access License
- Taser 7 evidence.com Admin License
- Taser 7 evidence.com license

Warranties and equipment refresh: TAP

Automatic refresh every 2.5 years for Body Cameras. This minimizes the chances that an officer goes on duty without a camera, includes on-site spare units, and warranties throughout the life of the contract at no additional cost. This ensures your agency is protected now and in the future.

- Warranty coverage on BWC and Tasers, including batteries and dock, throughout the contract
- Ability to advance replace lost, stolen, or damaged cameras at no cost to the agency
- (103) Year 2.5 equipment refresh of the latest cameras
- (103) Year 5 equipment refresh of the latest cameras
- All new docking stations, mounts and cables for each refresh

Axon Professional Services:

Axon's Professional Services help introduce our technologies to agencies with the right training and implementation support.

Axon Starter

- o In Person Configuration of Evidence.com and all Devices and Docks
- o System Administrator and End User Training
- Installation of Signal Units
- Installation of Auto Tagging Licenses
- (100) of the latest cameras in year 2.5
- (100) of the latest cameras at year 5
- All new docking stations, mounts, and cables for each refresh.

Program Products & Features:

What is TAP?

The Technology Assurance Plan (TAP) is a service plan that combines warranty coverage on your Axon body cameras with automatic refresh units every 2.5 years. Minimizing the chance that an officer goes on duty without a camera, TAP includes on-site spare units, as well as an extended warranty at no additional cost through the life of the agreement. TAP not only protects your agency today—it ensures it will stay protected in the future.

Redaction Studio Assistant

Speeds up redaction process by checking videos for common objects, like license plates, MDT/MDC screens and faces, and automatically adding mask segments to those objects. This reduces time you need to spend on tedious, repetitive tasks and allows you to focus on more important parts of redaction. Additionally Redaction Assistant's ability to ID objects will improve over time, further reducing the time needed for reviewing and editing video.

Axon Respond

Axon Respond is a real-time operations platform which integrates real-time situational awareness and unified communications within a modern incident management solution. Harnessing data from sensors in the field, public safety agencies are empowered to know before it's voiced and rapidly coordinate responses with a unified communications platform. This drives faster response times, safer officers and communities as well as the optimal deployment of limited resources.

Axon Signal Sidearm

Axon Signal Sidearm – a smart sensor that attaches to an officer's holster. The Signal Sidearm sensor uses Axon Signal technology to trigger Axon body-worn cameras within range to start recording automatically when an officer's weapon is drawn.

Standards

Streamlined report writing for high risk officer-involved events, such as use-of-force; clear task delegation and automated reminders. Robust data management capabilities support Salisbury PD in upholding integrity and values, through each and every incident.

TASER 7

Our continued dedication to the TASER CEW, successful endeavors into other areas of connected law enforcement technologies, and close partnerships with thousands of agencies have all informed the development of TASER 7 – the most effective and intelligent TASER CEW yet. TASER 7 is designed to give officers the confidence to de-escalate dangerous situations with new components, technology, and features that include:

- Redesigned darts with Smart Probes improve accuracy, increase target retention, and improve attainment.
- Two cartridge types – Close Quarter Cartridges and Standoff Cartridges – provide different angles of separation to achieve optimal probe spreads at varying distances.
- Revamped Adaptive Cross Connect technology uses an advanced algorithm to deliver the pulse from the TASER 7 most effectively.
- New Rapid Arc technology achieves more effective full-body lockup.
- The high-visibility green top laser enables better daytime targeting.
- A louder warning arc serves as an additional deterrent for noncompliant behavior.

Axon estimates the improvements in probe spread and clothing compression may decrease ineffective deployments by 50,000 each year. More effective deployments equate to reduced risk for an agency and confidence for end-users.

TASER 7 features wireless connectivity to Axon applications. This connectivity improves and automates workflows, so officers can focus on policing. The platform uses removable, rechargeable batteries and utilizes a “Dock and Walk” workflow, similar to that used by Axon body-worn cameras. The platform has improved armory and administrative functions with Evidence.com and Axon Device Manager through a connected mobile application, allowing agencies to more easily manage device assignments, plus better search functionality and device status reporting to assist with inventory management and tracking.

Increased connectivity makes the TASER system faster and more efficient. These elegant automations can help reduce the administrative time devoted to an agency’s TASER program by as much as 75%.

Professional Services

Axon’s Starter Package will help introduce our technologies to your agency with the right training and implementation support. The Professional Services team will assist in the hardware and software setup your new Axon Body Worn Camera program.

The Axon Customer Success Manager

Whenever you purchase an Axon product, we want to ensure that it’s easy to use and providing value to your agency. That’s why we assign our customers a single point of contact to ensure you always have the tools and information you need.

Tax is estimated based on rates applicable at date of quote and subject to change at time of invoicing. If a tax exemption certificate should be applied, please submit prior to invoicing.

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at www.axon.com/legal/sales-terms-and-conditions), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.

ATTENTION

This order may qualify for freight shipping, please fill out the following information.

Who is the receiving contact and what is the contact phone number for this shipment?	
What are the receiving hours of operation?	
Is a loading dock available for this incoming shipment? If yes, are you able to unload pallets from the trailer or will the driver need to assist with unload?	
Do you have a forklift and/or pallet jack to transport pallets into your facility?	
Are there any delivery restrictions (no 53' trailers, no box trucks, etc.)?
