 - (a) The City of Salisbury continues to encourage all residents to complete the 2020 Census either online at 2020Census.gov, by telephone at 844-330-2020, or by mail before the deadline of September 30, 2020. Responding accurately to the Census will provide millions of federal funds for needed programs in Rowan County such as schools, hospitals, employment initiatives, drug rehabilitation and roadway construction. An undercount would mean a loss for the state of \$74 billion over the next 10 years. An undercount could also result in overcrowding in our schools due to an inaccurate count of school-aged children, loss of necessary health programs, or delayed road rehabilitation. All responses will be confidential by law. Please visit 2020Census.gov for more information.
 - (b) Applications for the 2020-2021 Historic Preservation Incentive Grants are now available. These matching grants are available on a competitive basis for exterior projects on owner-occupied houses in Salisbury's four residential local historic districts: North Main Street, Brooklyn South Square, West Square and Ellis Street Graded School. Applications are due by September 25, 2020. To receive an application or inquire about eligibility, please call 704-638-5212.
