PUBLIC COMMENT

Mayor Alexander opened the floor to receive public comments.

Mr. Jonathan Barbee expressed concern regarding annexation and how it is negatively affecting Salisbury’s economic development.

Mr. Daquan Del-Rio Coleman shared his concern about the budget proposal for an increase in utility fees. He commented raising utility fees would add additional financial stress to citizens who are dealing with inflation.

Mr. Tim Coffey thanked Council and staff for its support of the Salisbury Pride Festival.

Ms. Dee Dee Wright welcomed City Manager Jim Greene, Jr. to Salisbury. She commented she hopes the Parks and Recreation Department will receive the funding needed to update the Fred M. Evans Pool.

Ms. Heather DePalma- Spivey thanked Council for its continued support of the Salisbury Pride Festival which will host over 100 vendors and sponsors. She commented she is looking forward to seeing everyone there.
There being no one else to address Council, Mayor Alexander closed the public comment session.

**FY2022-2023 PROPOSED CITY BUDGET**

City Manager Jim Greene, Jr. noted the foundation of the budget was built on Council’s priorities approved at its retreat in January. He added Interim City Manager Brian Hiatt mentioned early in the work session how the budget is tight due to higher expectations, services, inflation, and coming out of COVID. He pointed out there were a lot of additional requests from departments that need to be funded. He complimented departments for being flexible and efficient to provide important services citizens need.

Mayor Alexander convened a public hearing after due notice regarding the proposed FY2022-2023 proposed City Budget.

Mr. Daquan Del-Rio Coleman asked about a property tax increase. Mr. Greene noted there is not a recommendation to increase property tax. Mr. Coleman asked about the utility rate increase. Mr. Greene advised there is an increase recommendation due to inflation, higher cost of chemicals, maintenance, and fuel needed for operations. Mr. Coleman asked if Council sets the rent increases. Mr. Greene noted Council does not set rental rates, and he added rent is controlled primarily by the private sector.

There being no one else to address Council, Mayor Alexander closed the public hearing.

Councilmember Post asked about raising the vehicle tax to $30 to match other communities. Mayor Alexander agreed with Mr. Post’s suggestion. Mr. Greene suggested Council make recommendations at its next meeting after it receives information it requested during the budget work session.

**STREET CLOSING – CORRELL STREET**

City Engineer Wendy Brindle pointed out Council adopted a Resolution of Intent in May to permanently close Correll Street, an unimproved 50 foot right-of-way located in between Willow and Roy Streets near Old Innes Street. She commented this request was through petition and signed by the adjacent property owners.

Ms. Brindle explained staff has followed the guidelines of NCGS 160A-299 and staff found the proposed street closing is not contrary to the public interest and no one is deprived of reasonable means of ingress and egress to their property.

Mayor Alexander convened a public hearing after due notice regarding the proposed closing of Correll Street.

There being no one to address Council, Mayor Alexander closed the public hearing.
Thereupon, Councilmember Post made a **motion** to adopt a Resolution pertaining to the proposed closing of Correll Street, a 50-foot unimproved right-of-way. Mayor Alexander, Mayor Pro Tem Sheffield, Councilmembers McLaughlin, Post, and Smith voted AYE. (5-0)

**RESOLUTION PERTAINING TO THE PROPOSED CLOSING OF CORRELL STREET, A 50-FOOT UNIMPROVED RIGHT-OF-WAY.**

(The above Resolution is recorded in full in Resolution Book No. 16 at Page No. 32, and is known as Resolution 2022-24.)

Thereupon, Councilmember Post made a **motion** to adopt an Order closing an unimproved right-of-way known as Correll Street. Mayor Alexander, Mayor Pro Tem Sheffield, Councilmembers McLaughlin, Post, and Smith voted AYE. (5-0)

**ORDER CLOSING AN UNIMPROVED RIGHT-OF-WAY KNOWN AS CORRELL STREET.**

(The above Order is recorded in full at the Register of Deeds and maintained in the City Clerk's Alley Closing File dated June 7, 2022.)

**FY2022-2023 COMMUNITY DEVELOPMENT BLOCK GRANT AND HOME PROGRAM FUNDS**

Planning Director Hannah Jacobson pointed out the scheduled public hearing will begin the process to determine the use of the available Community Development Block Grant (CDBG) and HOME Program funds.

Ms. Jacobson indicated Salisbury is an entitlement community for Community Block Grants and a participant in the Cabarrus-Iredell Home Consortium and eligible for $514,920. She noted CDGBG and Home Program Funds are flexible funding sources that fund resources for low and moderate income individuals and families. She stated the past few years the funds have been focused on owner-occupied housing rehabilitation programs, down payment assistance programs, acquisition/rehabilitation for homeownership, sidewalks, public infrastructure/park improvements and supporting public agencies that provide services to low income and moderate families and individuals.

Ms. Jacobson explained a draft action plan will be published on June 13, 2022 on the City’s website and hard copies will be available at various location throughout the City. She noted a public input session is planned for June 16, 2022 at 5:30 p.m. at 400 West Bank Street. She indicated no action is needed and a presentation will be provided to Council at its next meeting to include a proposed action plan and budget. She explained the public comment period will close on July 13, 2022.

Mayor Alexander convened a public hearing after due notice regarding the use of the FY2022-2023 Federal CDBG and HOME Program funds.
There being no one to address Council, Mayor Alexander closed the public hearing.

**MICROTRANSIT UPDATE**

Transit Director Rodney Harrison and Transit Supervisor Kimberly Bell addressed Council regarding an in-house microtransit pilot project. Mr. Harrison noted microtransit is a technology-enabled transit service that uses shuttles or vans to provide on-demand transportation. He reviewed the two partnership models:

- Software-as-a-service (SaaS) model uses third-party software to provide on-demand service with City operators and vehicles
- Transportation-as-a-Service (TaaS) model is operated by a third party and includes technology, operators, vehicles, and operation management

Mr. Harrison reviewed the benefits and potential challenges of microtransit service. He pointed out microtransit is more efficient which could increase rider demand. He stated the anticipated start date is December 2022, and he commented the project would operate in-house and use the SaaS model. He indicated Route 3 would be replaced with microtransit and the project would also include Americans with Disabilities Act (ADA) paratransit. He explained performance data would be collected and provided to Council.

Mr. Harrison displayed a map of the proposed service zone, and he indicated riders must be picked up and dropped off within the zone parameters. He pointed out ADA paratransit riders can be picked up or dropped off outside of the service zone.

Mr. Harrison indicated performance monitoring will be used to evaluate progress and recommend changes. He stated staff applied for the United States Department of Transportation’s Rural Surface Transportation Grant Program for microtransit. He noted if the City is awarded the grant the service will be switched to the TaaS model. He added the three-year grant is 100% federal and state funded and should be awarded by fall 2022, with a start date of July 2023. He reviewed the service area map submitted with the grant application, and he added minor adjustments can be made to the service area.

Mayor Alexander questioned the TaaS model not being implemented immediately. Mr. Harrison explained the SaaS model would allow staff to get a better understanding of how the system works. He added staff would provide the transportation and personnel to replace one route and then transition to the TaaS model if the grant is awarded.

Councilmember Post asked if the City has the manpower and vehicles to implement the program in-house. Mr. Harrison agreed. Mr. Post asked which vehicles would be used to implement the program. Mr. Harrison stated the light transit vehicles and vehicles assigned to Route 3 would be used. Mr. Post asked if drivers be able to meet the need if demand for the service increases. Mr. Harrison stated the two full-time drivers that operate Route 3, ADA personnel, and part-time drivers could be used to support increased demand.
Councilmember Smith pointed out the City of Wilson is serving as a prototype, but the current environment includes a pandemic and possible recession. He commended Mr. Harrison and staff for its work to implement the pilot project.

Thereupon, Mayor Pro Tem Sheffield made a motion to approve an in-house pilot project using the Software-as-a-Service model then transitioning to the Transportation-as-a-Service model if funding is awarded through the United States Department of Transportation’s Rural Surface Transportation grant program. Mayor Alexander, Mayor Pro Tem Sheffield, Councilmembers McLaughlin, Post, and Smith voted AYE. (5-0)

**BUDGET ORDINANCE AMENDMENT – TRANSIT VEHICLE GRANT**

Transit Director Rodney Harrison addressed Council regarding a budget Ordinance amendment to the FY2021-2022 budget to appropriate funds from the North Carolina Volkswagen Settlement Program grant to purchase two all-electric 25-foot light duty Americans with Disabilities Act (ADA) accessible replacement vehicles in the amount of $688,298. Mr. Harrison stated the total grant is $818,771.50 and does not require a local match.

Mr. Harrison noted the two electric vehicles will lower the average age of the fleet and assist in the transition to a cleaner, high-tech fleet helping to improve service reliability. He stated the purchased vehicles must be in the same class as the ones that are being replaced and can be used for in-house microtransit or leased to a third party for a turnkey microtransit operation.

Mr. Harrison stated the replacement cost for the vehicles is $688,298 and includes a charging system. He added the remaining portion of the grant would be used to upgrade the Transit facility to support the electric charging stations. Mayor Alexander asked about the location of the charging stations. Mr. Harrison indicated the charging stations would be located at the Transit building which is fenced in and would allow the vehicles to charge overnight.

Thereupon, Mayor Pro Tem Sheffield made a motion to adopt an Ordinance amending the FY2021-2022 budget Ordinance of the City of Salisbury, North Carolina to appropriate North Carolina Volkswagen Program Grant funds to purchase two all-electric transit vehicles to include charging stations. Mayor Alexander, Mayor Pro Tem Sheffield, Councilmembers McLaughlin, Post, and Smith voted AYE. (5-0)

**ORDINANCE AMENDING THE FY2021-2022 BUDGET ORDINANCE OF THE CITY OF SALISBURY, NORTH CAROLINA TO APPROPRIATE NORTH CAROLINA VOLKSWAGEN PROGRAM GRANT FUNDS TO PURCHASE TWO ALL-ELECTRIC TRANSIT VEHICLES.**

(The above Ordinance is recorded in full in Ordinance Book No. 30 at Page No. 115 and is known as Ordinance 2022-40.)
PROPOSED DEMOLITIONS

This item was postponed.

BELL TOWER GREEN ADVISORY COMMITTEE

Parks and Recreation Director Nick Aceves requested Council consider adopting an Ordinance amending Appendix D Boards, Committees, Commissions, etc. to create the Bell Tower Green Advisory Committee. He noted the purpose of the Bell Tower Green Advisory Committee:

- Promotion and development of the park
- Seek sponsorships and donations for the development for the park
- Review and make recommendations for changes to the park

Mr. Aceves stated the committee will include seven members with staggered terms, and he noted members will have the authority to receive funds on behalf of the City to benefit the park. He added four seats will be held by Bell Tower Green, Inc. members and three seats will be held by community members.

Councilmember Smith asked about a Council liaison to the committee. Mr. Aceves stated the Council liaison would be determined by Council, and he indicated committee meetings would take place four times per year.

Thereupon, Councilmember Post made a motion adopt an Ordinance amending Appendix D, Part 10, of the Code of the City of Salisbury, North Carolina relating to the Bell Tower Green Advisory Committee. Mayor Alexander, Mayor Pro Tem Sheffield, Councilmembers McLaughlin, Post, and Smith voted AYE. (5-0)

ORDINANCE AMENDING APPENDIX D, PART 10, OF THE CODE OF THE CITY OF SALISBURY, NORTH CAROLINA RELATING TO THE GREENWAY COMMITTEE.
(The above Ordinance is recorded in full in Ordinance Book No. 30 at Page No. 116-117 and is known as Ordinance 2022-45.)

Mr. Alex Bost  Term Expires 3/31/2025

JOSEPH HEILIG MEMORIAL BENCH

Mayor Pro Tem Sheffield noted local street artist Joseph Heilig who often worked from a bench on South Main Street recently passed away. She stated there have been multiple requests to honor Mr. Heilig, and she noted there is a process to make a request for a plaque to be placed in someone's honor. She indicated the request has been made and Council must establish a 30-day public input period.

Councilmember Post pointed suggested exploring the possibility of a sculpture of Mr. Heilig sitting on the bench. Mayor Alexander noted a sculpture would have to go through the Public Art Committee.

Thereupon, Councilmember McLaughlin made a motion to establish a 30-day public input period regarding naming the bench in front of Fuller’s Market in honor of Joseph Heilig. Mayor Alexander, Mayor Pro Tem Sheffield, Councilmembers McLaughlin, Post, and Smith voted AYE. (5-0)

Public input will be directed to City Clerk Kelly Baker and forwarded to Council.

CITY ATTORNEY’S REPORT

City Attorney Graham Corriher had nothing to report to Council.

CITY MANAGER’S REPORT

City Manager Jim Greene, Jr. stated he has enjoyed his first two weeks as City Manager of the City of Salisbury and he is grateful for the opportunity to serve. He noted he attended Wine About Winter and Pops at the Post, and he thanked the employees and community partners who
worked to make the events special. He stated Pride and Juneteenth events will take place later in the month, and he invited the public to attend.

COUNCIL COMMENTS

Councilmember Post noted he attended Wine About Winter and attendees told him they preferred having the event when the weather is warmer.

Councilmember Post noted a representative from the Elks Club asked him why the Bell Tower Green Park does not have a flag pole. He added he spoke to Mr. Dyke Messenger, President of the Bell Tower Green, Inc. who stated the group decided not to put a flag in the park due to the large flag across the street at the County building. He added the Elks Club is willing to pay for the flag pole if the City is interested. Mayor Alexander stated Mr. Ronnie Smith and Mr. Steve Fisher have also offered to pay for a flag at the park. She pointed out there is underground irrigation and infrastructure in the park that must be considered before digging could take place.

Councilmember Smith reaffirmed Council’s commitment to growth and economic development that is equitable and efficient. He added the City has the right to do what it needs to do to grow the economy and bring jobs and additional tax revenue to the community.

MAYOR PRO TEM’S COMMENTS

SPECIAL MEETING

PRESENT: Mayor Karen K. Alexander, Presiding; Mayor Pro Tem Tamara Sheffield, Council Members Harry McLaughlin, David Post, and Anthony Smith; City Manager Jim Greene, Jr., City Clerk Kelly Baker; and City Attorney J. Graham Corriher.

ABSENT: None.

Salisbury City Council met in Council Chambers in City Hall located at 217 South Main Street. The meeting was called to order by Mayor Alexander at 5:00 p.m. A moment of silence was taken.

ADOPTION OF THE AGENDA

Thereupon, Mayor Pro Tem Sheffield made a motion to adopt the Agenda as presented. Mayor Alexander, Mayor Pro Tem Sheffield, Councilmembers McLaughlin, Post, and Smith voted AYE. (5-0)

FY 2022-2023 BUDGET

City Manager Jim Greene, Jr. recognized Interim Manager Brian Hiatt and Finance Director Wade Furches who previously presented the FY2022-2023 proposed budget.

Mr. Hiatt noted the total City budget is $93,381,414, which includes the General Fund and Enterprise Funds. He reviewed a summary of the proposed recommendation:

- No property tax increase
- $10 increase in Municipal Vehicle Taxes to address street resurfacing needs
- No increase in sanitation fees
- $.25 increase in Stormwater rates per the Master Plan recommendation to $4.41 per monthly Equivalent Runoff Unit (ERU)
• 4.2% increase in Water and Sewer rates
  o An average residents increase of $2.49 per month
• Modest increase in tap fees

Mr. Hiatt pointed out the sales tax projections were very conservative and there is potential later in the fiscal year to appropriate additional sales taxes if revenues continue to be strong. He added staff included a list of items that could be added if there was additional sales tax available.

Mr. Hiatt stated staff recommends a Fund Balance appropriation of $2 million which is mainly for one-time expenditures, but also includes $600,000 for compensation purposes.

Mr. Hiatt added the City has $5.6 million still available in its American Rescue Plan Act (ARPA) funds. He indicated staff recommends using approximately $4 million in ARPA funds for the following:

• $1.2 million for Parks and Recreation
  o Miller Recreation Center expansion, Hall, Gym improvements, Fred Evans Pool short-term updates, and City Park building renovations
• $1 million for Civic Center replacement or improvements
• Remaining funds are available for future appropriation
• $425,853 in additional ARPA funds available for transit

Mr. Hiatt pointed out increased funding for programming is included in the Parks and Recreation budget to meet Council’s priority. He reviewed examples of expenses:

• Appropriations in all funds for compensation and adjustments including the pay study
• $5 million for vehicle and computer replacements
  o Including one fire truck that will be financed
• Two new recreation aids and a Professional Assistance for Diversity Equity and Inclusion (DEI)
• Comprehensive Housing Strategy and Uniform Construction Codes
• Microtransit pilot

Mr. Hiatt noted expenses that were updated due to inflation:

• Asphalt = 23%
• Concrete = 8%
• Herbicide = 350%
• Grass Seed = 240%
• Stormwater pipe = 60%
• Stone/Gravel = 6%
• Electricity = 16%
• Water/Wastewater treatment chemicals = 88%
• Gas prices up over $1.50 per gallon from last year at this time
Mr. Hiatt noted due to changes in North Carolina law funding has been set aside in Council’s budget for appropriations to external community agencies, but not specified for specific agencies.

Councilmember Post referenced the proposed vehicle tax increase, and he pointed out the state allows $30 and the City is currently charging $10. He added staff recommends an increase to $20, and he asked why the recommendation was not $30 to help meet the paving needs. Mr. Hiatt indicated the final amount is Council’s decision, and he noted the increase in asphalt prices will affect the City’s ability to complete more projects. He commented the City is experiencing growth which adds additional streets to the maintenance system. He stated it is important to make sure the older streets are in good shape because in 15 to 20 years they will need to be resurfaced. He pointed out the state will have the same problem with their streets and Powell Bill funds will not go as far as they have in the past due to the increased costs of asphalt.

Mayor Pro Tem Sheffield asked about the additional revenue from the increased vehicle tax. Mr. Furches noted the increase will generate approximately $120,000.

Councilmember McLaughlin referenced the increase in asphalt cost, and he asked if the City will be able to pave the same or fewer streets. He added he received many calls from citizens regarding street conditions. Mr. Hiatt noted it would be difficult to determine, and he pointed out with the increase in asphalt costs it may just break even. Councilmember Post noted the proposed increase in vehicle tax will hopefully maintain the current level. Mr. Hiatt explained asphalt is a petroleum-based product and gas prices continue to increase.

Mayor Pro Tem Sheffield asked about the increased number of cell-phone stipends. Mr. Furches stated cell phone stipends are currently paid out of the salary line item, and he pointed out in the future the cell phone stipends will be posted to a separate line item.

Mayor Pro Tem Sheffield requested a comparison of the current and proposed fee schedules. She asked about a stipend or some type of consideration for those who volunteer to serve on City Boards and Commissions. She referenced the new chairs for Council Chambers and added she would forego the chairs for alley beautification and parking lots. She also pointed out a large increase in the environmental protection line item, and she requested clarification. Mr. Furches explained the increase is due to budgeted vehicles, including two garbage trucks at approximately $400,000, price increases at the landfill, and fuel costs.

Mayor Pro Tem Sheffield pointed out the City has an increase in population, but the average income in the City decreased by approximately $4,000. She asked about the drivers for the decrease in income, and she added Council is considering an increase in fees due to cost increases which could impact the marginalized who live in the City. Mr. Hiatt noted staff will pursue the source of the statistic.

Mayor Pro Tem Sheffield asked how a final decision can be made regarding the Fire Department budget when the pay study is not completed. Mr. Furches stated there is a special line item included in Human Resources for approximately $1.4 million to address Fire Department salaries and Social Security, if the Fire Department votes to contribute to Social Security. Mr.
Hiatt pointed out all positions are budgeted at 100% with no turnover factor which creates a cushion for other increases.

Councilmember Smith noted staff tends to make conservative projections, and he asked about the process for the City if a recession takes place. Mr. Hiatt explained it would require cutting even more from the existing budget. He pointed out the personnel and operational line items in the General Fund for all departments are very tight and have been cut due to previous year’s challenges. He commented if a recession hits in mid fiscal year, action must be taken. Mr. Greene noted he will work closely with Finance staff to review state and national trends to determine how the budget will be impacted.

Mr. Hiatt pointed out the City received $5.6 million in ARPA funds which is less than $10 million and can be used to pay salaries instead of projects. Mayor Alexander indicated the deferred list of projects has not been implemented and the ARPA funds could be allocated until the sales tax trend is more certain.

Mayor Pro Tem Sheffield asked about the status of the Fisher Street Bridge. Mr. Hiatt stated a public input process will take place regarding the bridge and then Council will make a decision based on the information it receives. He added if Council choses to replace it with a bridge for vehicular traffic funds would need to be allocated. Mayor Alexander asked if the Fisher Street Bridge is included in the budget. Mr. Hiatt commented the bridge is not included in the budget.

Mayor Pro Tem Sheffield requested a Capital Improvement Plan (CIP) be presented to Council once the budget is completed. Mr. Greene agreed and noted there are opportunities to look at the CIP process.

Mayor Alexander noted at one point the City had many more employees than it has right now even though the work load has increased. She commended staff for all it does for the City. Mr. Hiatt commented City employees are doing a great job. Mr. Greene agreed, and he noted the community is growing and additional staff will be needed to provide the quality services customers expect. He added there is work to do regarding the pay study, and he added staff is committed to implementing the plan. Mr. Hiatt agreed there is a need for new personnel.

Mayor Alexander asked if a $30 vehicle tax would help provide the match to receive the maximum amount of Powell Bill funding. She added she would support doing what surrounding communities are doing because remaining at the current rate would actually set the City back because of inflation.

Councilmember Post noted the increase would provide $120,000 which is a small amount to make an impact on the roads.

Mayor Pro Tem referred to value of one cent of Salisbury’s tax rate versus other communities and pointed out the City has the highest tax rate with lowest rate of return. She commented one of the most important things the City Manager can do is grow the tax base. She added growing the tax base will make a difference for the quality of life for residents.
Mayor Alexander agreed and added it is important to grow the commercial tax base because operational costs continue to increase.

Councilmember Post referred to the Fibrant debt which equals approximately 11 cents on the tax rate, and he noted if that 11 cents was removed the tax rate would be low.

Mr. Greene referred to economic development and the need to make it a priority. He stated the City must work closely with Rowan County, the Economic Development Commission and the private sector to attract quality growth. He stated the growth that is good for Salisbury is also good for Rowan County.

Councilmember McLaughlin thanked everyone who worked on the Cheerwine Festival and asked if the impact of special events on departmental budgets has been considered. Mr. Hiatt indicated consideration was given in the proposed budget. He noted there is also a concern for the future because the number of events is growing and puts pressure on operational and personnel budgets. He stated as the City grows the tax base will expand, and he pointed out the major source of revenue for the City is property tax.

**ADJOURNMENT**

Motion to adjourn the meeting was made by Mayor Pro Tem Sheffield. Mayor Alexander, Mayor Pro Tem Sheffield and Councilmembers McLaughlin, Post and Smith voted AYE. (5-0)

The meeting was adjourned at 5:57 p.m.

Requested Agenda Item: Certificate of Sufficiency and Resolution – The Gables Phase 6

Description of Requested Agenda Item:

The Engineering Department, on behalf of the City Clerk, has investigated the sufficiency of the petition received for the voluntary annexation of parcel 403 192 in Rowan County. The petition contains a description of the proposed annexation area, as well as signatures of the property owners. Additionally, the following conditions are met:

1. The nearest point on the proposed satellite is not more than three miles from the primary corporate limits of Salisbury.
2. No point on the proposed satellite is closer to the primary corporate limits of another city than to the primary corporate limits of Salisbury.
3. The area is situated such that Salisbury will be able to provide the same services within the proposed satellite corporate limits as are provided within the primary corporate limits.
4. No subdivision, as defined in G.S. 160A-376 will be fragmented by this proposed annexation.

The petition is, therefore, sufficient in accordance with G.S. 160A-58.1. A public hearing shall be conducted by City Council on July 19, 2022.

Requested Agenda Item:  Certificate of Sufficiency and Resolution – 1215 Peeler Rd

Description of Requested Agenda Item:
The Engineering Department, on behalf of the City Clerk, has investigated the sufficiency of the petition received for the voluntary annexation of parcel 408 011 in Rowan County. The petition contains a description of the proposed annexation area, as well as signatures of the property owners. Additionally, the following conditions are met:

1. The nearest point on the proposed satellite is not more than three miles from the primary corporate limits of Salisbury.
2. No point on the proposed satellite is closer to the primary corporate limits of another city than to the primary corporate limits of Salisbury.
3. The area is situated such that Salisbury will be able to provide the same services within the proposed satellite corporate limits as are provided within the primary corporate limits.
4. No subdivision, as defined in G.S. 160A-376 will be fragmented by this proposed annexation.

The petition is, therefore, sufficient in accordance with G.S. 160A-58.1. A public hearing shall be conducted by City Council on July 19, 2022.

Requested Agenda Item: Request from Level 3 Communication for encroachment into City Rights-of-Way.

Description of Requested Agenda Item: Level 3 Communication requests approval direct bore approximately 55' of conduit within the City Right-of-Way on Corporate Circle. City Council approval of encroachments is required by Section 11-24 (27) of the City Code. NCDOT must approve encroachments along state maintained roads.

Staff review included input from Engineering, Public Services and Salisbury-Rowan Utilities. Staff recommends approval subject to the following conditions:

- All improvements and restoration shall be made at no expense to the City.
- A $5,000 bond will be required prior to construction within the City Limits.
- Any disturbances must be returned to “as-before” conditions.
- Hotwire Communications facilities are present and must be located via NC811 prior to excavation. Must maintain 18” of separation.
- Water and sewer mains paralleling Corporate Circle will need to be spotted prior to drilling. NC811 notification, locates and appropriate separation from SRU utilities must be maintained.
- A pre-construction meeting will be required prior to construction.
- On-site inspection will be required during all critical street crossings.
- Any markers for underground facilities shall be flush with the ground.
- Lane closures shall be coordinated through Engineering.
- Level 3 shall participate with the State’s one-call locating program, and appropriate locater tape shall be installed to facilitate future field location.
- Engineering “as-built” plans shall be maintained by Level 3 and made available to the City upon request.
- If the City (or State) makes an improvement to the public Right-of-Way, Level3 facilities shall be adjusted or relocated at no expense to the City (or State).

Re: Request for Council to consider incentive for ‘Project Strong’

Dear Mayor Alexander and Council Members,

Over the past month, the Rowan EDC has been working with the City’s staff on ‘Project Strong.’ The company behind ‘Project Strong’ is an existing employer in Salisbury that will retain current employment levels and create 14 well-paying jobs over the next 3 years.

The company proposes to acquire and expand an existing facility in Salisbury as part of this project. While these numbers are preliminary, the company estimates that it will invest approximately $2.9 million in new construction and equipment.

The company is pursuing a $75,000 Rural Building Reuse Grant from the State of North Carolina to aid in these renovations. If approved, the grant would be awarded to the City of Salisbury who would then disburse funds to the company as long as it meets the job creation requirements.

Rural Building Reuse Grants are formally awarded by the State Rural Infrastructure Authority, which meets every two months. Their next meeting is scheduled for August 18th. The Building Reuse Grant program also requires a match from the local municipality. The City can satisfy the local match requirements by hiring a grant administrator to oversee the project. The EDC estimates the fee for grant administration to be no more than $6,000.

The chart below is an estimate of the tax revenue that would be generated by the project. The investment timeline is based on information recently provided to the Rowan EDC by the company and the Economic Development Partnership of North Carolina.

Modeled with a 10-year horizon, the City of Salisbury would stand to collect an estimated $176,942 in new property tax revenue. Please note that personal property tax values were estimated using the 2022 State Depreciation Schedule A (Fabricated Metal Products - 12-yr lifespan).

On behalf of the Rowan EDC, I respectfully request that the City Council approve the submittal of a Rural Building Reuse Grant application to the North Carolina Department of Commerce in the amount of $75,000 on behalf of the project. I also request that the City Council approve the hiring of a grant administrator to oversee the project for an amount not to exceed $6,000.

Approval of this request would give us an opportunity to demonstrate local support for a valued existing employer as well as allow a vacant building in the City to be put back in use.

Please do not hesitate to contact me with any questions you may have and thank you for considering this matter.

Yours truly,

Scott Shelton
Vice President
AUTHORIZING RESOLUTION BY THE CITY OF SALISBURY
for the
North Carolina Department of Commerce
Building Reuse Program
“Project Strong Building Reuse Project”

WHEREAS, The North Carolina General Assembly has authorized funds to stimulate economic development and job creation in distressed areas through constructing critical water and wastewater facilities, addressing technology needs, renovating vacant buildings, expansion of existing buildings and implementing research and demonstration projects, and

WHEREAS, the City has need for and intends to assist in the expansion of an existing building in a project described as the “Project Strong Building Reuse Project”; and

WHEREAS, the City intends to request funding assistance from the North Carolina Department of Commerce from its Building Reuse Program for the project;

NOW THEREFORE BE IT RESOLVED, BY THE SALISBURY CITY COUNCIL:
That the City is in full support of the application and the project, if funding is received, and
That the City will arrange for a local cash match of $6,000 to be used for the administration of the project, and
That the City has substantially complied or will substantially comply with all State, and local laws, rules, regulations, and ordinances applicable to the project and to the grants pertaining thereto, and that Jim Greene, Jr., City Manager, is authorized to execute any additional documents pertaining to the grant application as requested by the North Carolina Department of Commerce.

Adopted this the 21st day of June 2022 in Salisbury, North Carolina.

Requested Council Meeting Date:  June 21, 2022

Name of Group(s) or Individual(s) Making Request:  City of Salisbury, Engineering Department

Name of Presenter(s):  Wendy Brindle, City Engineer

Requested Agenda Item:  Voluntary Annexation – Peach Orchard Rd

Description of Requested Agenda Item:
A public hearing concerning the voluntary annexation of Peach Orchard Road, parcels 407A099, 407A112, 407A113 was scheduled for June 21, 2022. The hearing has been properly advertised, and staff finds the request to meet the standards of NCGS 160A-58.1. The petitioner has requested the effective date to be on the date of adoption to allow City zoning to be established. Therefore, after the public hearing, City Council will consider adopting an Ordinance for the annexation of 43.1536 acres on Peach Orchard Road, identified as parcels 407A099, 407A112, 407A113 effective June 21, 2022.

Attachments:  ☑ Yes  ☐ No

Fiscal Note:  (If fiscal note requires approval by finance department because item exceeds $100,000 or is related to grant funds, please fill out signature blocks for finance at bottom of form and provide supporting documents)

The current tax value of the property is $509,905. The current development plan is for a 300,000 square foot industrial facility. The value of those improvements are yet to be determined. The higher zoning usage level will increase the tax revenues generated for this property and will take effect in FY 24-25. The amount of that increase cannot be determined at this time. The City will incur additional costs for police and fire protection, which is indeterminable.

Action Requested of Council for Agenda Item:  (Please note if item includes an ordinance, resolution or petition)
City Council to hold a public hearing and consider adoption of an Ordinance to annex parcels 407A099, 407A112, 407A113, 43.1536 acres, per NCGS 160A-58.1, effective upon adoption.

**PETITIONER REQUEST**

**Request:**
Petition proposes to amend the Land Development Ordinance district map by rezoning three (3) parcels, being approximately 43.22 acres in total, from Rowan County zoning I-85 Economic Development - Corporate Park District (85-ED-3) and Rural Residential (RR) to City of Salisbury zoning Light Industrial (LI).

**Staff Comments:**
The petitioner(s) will be required to voluntarily annex into the City of Salisbury prior to development and has already submitted annexation petition.

**Uses:**
This proposal is for general zoning purposes only. This request is not a conditional district zoning request; therefore, all uses of the requested LI zoning will be permitted per the existing Use Matrix.
CHARACTER OF AREA

Overview:

Two of the parcels, 407A112 and 407A113, are currently undeveloped. Parcel 407A099 is occupied by a 2,112 square foot single family dwelling.

Existing uses in the vicinity include residential, industrial, and commercial properties. This rezoning may affect some adjacent residential properties due to an increase in traffic and possible noise or smells generally associated with industrial uses dependent upon the development proposal.

### INFRASTRUCTURE & CIVIC/COMMUNITY FACILITIES

**Public Schools:**
- **Elementary:** Elisabeth Koontz Elementary
- **Middle:** Southeast Middle
- **High:** Salisbury High and Jesse Carson High

**Fire District:**
The parcels are currently within the South Salisbury Fire district. Upon voluntary annexation, the parcels will then be located within the Salisbury City Fire district.

**Utilities**

*Water & Sewer:* Water and sewer are currently available to the subject parcels.

**Transportation**

*Transit:* This site is not currently served by Salisbury Public Transit. The nearest transit route is in the 1400 block of Klumac Road.

*Property Access(s):*
The parcels have access on Peach Orchard Road; this access point will not be affected by rezoning the site.

*Public Improvements:* Peach Orchard Road is maintained by the State.

### ENVIRONMENT

**Topography / Hydrology:**
The land slopes upward towards the northeast corner of the property. Steeper grades of approximately 11% can be found around the boundaries of the 100 year floodplain. Parcel 407A099 is still heavily wooded, while the most all of parcels 407A112 and 407A113 have been cleared, leaving only areas immediately adjacent to the stream undisturbed.

**Flood Hazard / Streams / Wetlands:**
Parcels 407A112 and 407A113 are impacted by a blue line stream and large portions of both parcels are covered by wetlands and floodplain. Parcel 407A099 is free of any streams, wetlands, or flood hazard areas.
Vision 2020 Comprehensive Plan

The Interstate 85 corridor, including roadways feeding into the interstate, shall be a focus of coordinated land use policy and capital investments for the development of quality industry.

Staff recommends approval of Z-06-2022, determining the request is consistent with the goals, objectives, and policies of the Vision 2020 Comprehensive Plan.
This proposal was presented to Planning Board at their courtesy hearing on May 24, 2022. After deliberation, the Planning Board unanimously recommended approval, stating proposal is consistent with the Vision 2020 Comprehensive Plan as submitted.

REQUEST:

Request to amend the Land Development District Map by rezoning three (3) parcels at 735 Peach Orchard Road (PID 407A112, 407A113, 407A099) from Rowan County zoning I-85 Economic Development - Corporate Park District (85-ED-3) and Rural Residential (RR) to City of Salisbury zoning Light Industrial (LI) upon voluntary annexation into the City.

STATEMENT OF CONSISTENCY & RECOMMENDATION:

The Salisbury City Council held a public hearing and reviewed the petition on June 21, 2022. The Council finds that the rezoning petition of the aforementioned parcel is CONSISTENT with the Salisbury Vision 2020 Comprehensive Plan, is reasonable, and in the public interest due to consistency with:

Policy I-8: The Interstate 85 corridor, including roadways feeding into the interstate, shall be a focus of coordinated land use policy and capital investments for the development of quality industry.
AN ORDINANCE AMENDING THE LAND DEVELOPMENT DISTRICT MAP OF THE
CITY OF SALISBURY, NORTH CAROLINA, REZONING TAX MAP 407A PARCELS 112,
113, 099 FROM ROWAN COUNTY ZONING I-85 ECONOMIC DEVELOPMENT-
CORPORATE PARK DISTRICT (85-ED-3) AND RURAL RESIDENTIAL (RR) TO CITY OF
SALISBURY ZONING LIGHT INDUSTRIAL (LI) APPROXIMATELY 43.22 ACRES UPON
ANNEXATION. (PETITION NO. Z-06-2022)

WHEREAS, a petition to rezone the property described herein was properly filed by the
City of Salisbury; and

WHEREAS, the Salisbury Planning Board, an advisory board to the Salisbury City
Council, reviewed the rezoning petition on May 24, 2022, unanimously voted to recommend
approval as submitted, and stated that the request is consistent with the Vision 2020
Comprehensive Plan; and

WHEREAS, the City Council held a properly-noticed public hearing at the regularly-
scheduled City Council meeting on June 21, 2022; and

WHEREAS, the City Council hereby finds and determines that adoption of an Ordinance
to rezone the property described herein, as requested, is consistent with the goals, objectives, and
policies of the Vision 2020 Comprehensive Plan due to the proposed petition, site characteristics,
surrounding development pattern, and observations provided by city planning staff, identifying
the policies that support the petition.

NOW THEREFORE BE IT ORDAINED by the City Council of the City of Salisbury,
North Carolina:

SECTION 1. That properties identified in the City of Salisbury and Rowan County as
Tax Map 407A Parcels 112, 113, 099, including those abutting rights-of-way and reaching to the
respective centerlines, as designated on the official property identification maps of Rowan
County, are hereby rezoned to ‘LI’ district upon annexation.

SECTION 2. That all Ordinances, or parts of Ordinances, in conflict with this Ordinance
are hereby repealed to the extent of such conflict;

SECTION 3. That this Ordinance shall be effective from and after its passage.

The Sansone Group (Developer) is requesting that the below-listed Rowan County tax parcels be annexed into the City of Salisbury municipal limits and rezoned as further described below.

Tax Parcel ID #'s: 407A112, 407A099, 407A113

The properties are currently county zoned “85-ED-3” (Rowan County Economic Development District)

The developer intends to annex and rezone the properties to City of Salisbury zoning “LI” (Light Industrial)

In accordance with the City of Salisbury Planning Department’s procedures, the developer is inviting neighboring property owners to discuss this proposal. This will be a virtual meeting to see and hear about the proposed project and to answer any questions. This meeting will be held in addition to the established public meeting procedures of the Planning Board and City Council.

CITY COUNCIL OF THE CITY OF
SALISBURY, NORTH CAROLINA

BY: Kelly Baker, MMC
Administrative Services Director/City Clerk
The Salisbury Planning Board held its regular meeting on Tuesday, May 24th, 2022, at 4:00 p.m. with the following being present:

**GUESTS:** Mark Carpenter, Sansone Group, Jayne Land, and Brian Straley

**PRESENT:** Yvonne Dixon, Tim Norris, Jon Post; P.J. Ricks, John Schaffer, Chair, and Esther Smith

**STAFF:** Victoria Bailiff, Teresa Barringer, Sheighla Temple

**WELCOME GUESTS AND VISITORS**

John Schaffer, Chair, called the Planning Board meeting to order at 4:05 p.m. on 5/24/2022.

**APPROVAL OF MINUTES**

Planning Board Minutes of May 10th, 2022 were approved as written by Members present.

**NEW BUSINESS**

**COURTESY HEARING: LDTOA-02-2022 Chapter 4**

**Presenter:** Teresa Barringer

**Request**

Staff is requesting a text amendment for LDO Chapter 4, Section 9B, to clarify circumstances in which the sidewalk payment in lieu program may be considered.

**Staff Presentation**

Teresa Barringer made a presentation. She clarified the meaning of an infill lot being a lot with at least 50% of development along its perimeter.

**Applicable Policy**

Vision 2020

**Discussion**

In response to questions from the Board, Ms. Barringer explained that authority belongs to TRC or City Council, depending on the plan type. She also clarified the difference between “impending road widening” and “immediate future transportation,” and the reason for using both terms in the ordinance.

**Deliberation**

None
Public Comment
None

Motion
Yvonne Dixon made a motion to approve the text amendment consistent with Vision 2020. Esther Smith seconded the motion.

All members present voted AYE (6-0).

ROLL CALL: Yvonne Dixon (AYE), Tim Norris (AYE), Jon Post (AYE), P.J. Ricks (AYE), John Schaffer (AYE), Esther Smith (AYE).

Jayne Land joined the meeting at 4:13 pm.

Z-05-2022 Majolica Road; 0 Majolica Road; PID: 451 227; Current Zoning: RA (County); Proposed Zoning: GR3
Presenter: Victoria bailiff

Request
Tar Heel Legacy, LLC requested to rezone (1) parcel from Rural Agriculture (RA), County Zoning, to City General Residential (GR-3).

Staff Presentation
Victoria Bailiff made a staff presentation. Public concerns regarding property value, and farm access and use were received by Staff. She clarified for the Board that if a property is not within City limits or the ETJ, it will need to be voluntarily annexed in order to receive services. When this case goes to City Council, they will decide on the annexation before the rezoning request.

Ms. Bailiff explained that while there is no specific policy addressing this request in the Comprehensive Plan, it is consistent with it.

Applicant Testimony
Mark Carpenter testified that the only concern they have received is from the owner of an adjacent property regarding his concern for his ability to access and make full use of his farmland when a development is built. Mr. Carpenter assured him they would be a good neighbor, and not hinder his land use. They’ve not received any other contact with concerns. The Applicant plans to build single-family homes on the property.

Ms. Bailiff responded to a question regarding the cutout in the property line. She said the owner wants to remain in Rowan County jurisdiction, and that they had called the City with a concern regarding development. The owner may be on County water, but would have a septic system; if they wanted to use City sewer/water, they would need to request annexation.
In response to questions from the Board regarding the prevalence of split zones in the area, Ms. Barringer responded that as these properties come up for the voluntary annexation addressed previously by City Council, the pre-existing zones will be cleaned up, and zoned appropriately.

**Public Comment**
None.

**Motion**
Jon Post made a motion to approve the request as consistent with Vision 2020, Yvonne Dixon seconded the motion.

All members present voted AYE (7-0).

**Z-06-2022 Peach Orchard; 735 Peach Orchard Road; PID: 407A112, 407A113, 407A099; Current Zoning: 85-ED-3 (County), RR; Proposed Zoning: LI**

**Presenter:** Victoria Bailiff

**Request**
Sansone Group requested to rezone (3) parcels from I-85 Economic Development Corporate Park District (85-ED-3) and Rural Residential (RR), County Zoning, to City Light Industrial (LI).

**Staff Presentation**
Victoria Bailiff made a staff presentation. The City received no feedback from adjacent property owners.

**Applicant Testimony**
Brian Straley testified that he had nothing further to add, and that he was following the Vision 2020 Comprehensive Plan.

**Public Comment**
None.

**Deliberation**
Mr. Shaffer commented that there is a trend toward industry in this area. There were no questions or comments from the Board.

**Motion**
Jayne Land made a motion to approve the request, Tim Norris seconded the motion.

All members present voted AYE (7-0).
ROLL CALL: Yvonne Dixon (AYE), Jayne Land (AYE), Tim Norris (AYE), Jon Post (AYE), P.J. Ricks (AYE), John Schaffer (AYE), Esther Smith (AYE).

OTHER BUSINESS
Ms. Barringer thanked the Board for their flexibility in accommodating City Council’s meeting, and said they should be able to resume in-person for the next meeting. She also announced that Sheighla Temple will be leaving the City on June 10, 2022 for an opportunity in Charlotte.

Ms. Dixon thankd Ms. Barringer for her timely communication.

Section 3. Tax Levy

There is hereby levied the following rates of Ad Valorem Tax on each one hundred dollars ($100.00) valuation of taxable property, as listed for taxes as of January 1, 2022 for the purpose of raising the revenue from current year's property tax, as set forth in the foregoing estimate of revenue, and in order to finance the foregoing appropriation, to wit:

General Fund:
(For the expense incident to the proper government of the City of Salisbury)
-- $ .7196

Municipal Service District:
(To promote, encourage and assist in the revitalization and economic health and stability of the downtown area)
-- $ .176

The estimated Ad Valorem Tax income is based upon collection of the above Tax rates as applied to the valuation of $3,221,424,734 for General Fund purposes.

There is hereby levied a Municipal Vehicle Tax of $20.00 on each vehicle resident as authorized by General Statute 20-97.

Section 4. There is hereby levied a tax of 1.5% on gross receipts derived from retail short-term lease or rental of vehicles to the general public. This tax will be levied, reported, and collected as established under Ordinance 2000-47 as authorized by General Statute 160A-215.1.

Section 5. Appropriations hereinabove authorized and made shall have the amounts of the unearned portion of contracts at June 30, 2022 added to each appropriation as it applied in order to properly account for the payment against the fiscal year in which it is paid.

Section 6. The City Manager is hereby authorized to make any budget amendments as may be required within each fund as long as the total appropriation for each fund does not change and contingency funds are not utilized.

Section 7. Copies of this ordinance shall be furnished to the City’s Finance Director, to be kept on file, for direction in the disbursement of City funds.

Section 8. The following schedules and fees are hereby adopted and all references to these fees in the City Code of Ordinances are amended to reflect these new schedules and fees as appropriate:

(c) Commercial, industrial, and institutional recipient
(d) Consumers with more than one account at the same location shall be required to make only one deposit if the customer has a good pay history. Commercial or industrial customers who operate multiple businesses under one corporate management shall be required to pay a deposit for each business or industry.
(e) Any consumer or recipient of water, discharges of sewage, fibrant, waste collection and/or stormwater, that has previously been disconnected for non-payment or has any outstanding balance for previous services with the city will be required to pay a deposit.
(f) Deposits shall be returned at termination of service less any unpaid rates and charges.
SCHEDULE B
METER INSTALLATION AND SEWER CONNECTION CHARGES

Charges in Schedule B shall be as authorized in Chapter 25, Article II, Section 25-33, of the City Code. Tap fees are based upon the actual cost of material and labor at the time of connection. Estimates will be provided but the actual cost may fluctuate depending upon material price increases or supply chain shortages.

(a) Three-fourths-inch residential water tap:
   - ¾” Water tap - SRU installed $2,350
   - ¾” Water tap - Developer installed $425
   - ¾” Water tap - Crescent $1,275
(b) One-inch residential water tap $2,675
(c) Irrigation taps are one-half the cost of regular taps and not subject to any discounts.
(d) All commercial water services, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. For these purposes, commercial shall be defined as anything other than single-family detached homes. All water connections made to a distribution main 24” or larger in diameter shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. All residential water connections larger than 1”, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. Master meter installations required for private water or sewer systems shall be charged on the basis of material costs at the prevailing or established rates (See Chapter 25, Article II, Section 25-33 City Code).
(e) Four-inch residential sewer connections:
   - 4” Sewer tap - SRU Installed $1,975
   - 4” Sewer tap - Developer Installed*: $250
   *Note: Includes the Crescent Subdivision
(f) All commercial sewer services, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. For these purposes, commercial shall be defined as anything other than single-family detached homes. All residential sewer services larger than four-inch, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. (See Chapter 25, Article II, Section 25-33 City Code).
(g) Water meter packages are materials only and are available for purchase when on-site submetering is required. Package includes meter, setter, meter box with lid, 2 ft. copper tailpiece outlet, and outlet coupling. Meter is installed by SRU upon inspection approval.
   - ½” Meter Package $890
   - 1” Meter Package $1,120
   - 2” Meter Package $3,550
(h) Partial Abandonment Fee $150
Where a second water connection exists on a lot and is not in use, it must be abandoned. Partial abandonment allows the connection to be put back into service at a later date, if desired, with payment of a Water Service Renewal Fee. Partial abandonment is not allowed for connections with substandard service lines.
(i) Full Abandonment Fee Time and Materials
Where multiple water and/or sewer connections exist on a lot and are not in use, they must be abandoned. Full abandonment is not reversible. Should a property owner request that a connection be put back into service at a later date, the charges scheduled above will apply in full.
(j) Disconnection/Reconnection fee for non-payment during business hours $50
(k) Physical notification of non-payment of a utility bill or disconnection notice (hanging tag) $50
(l) Turn on or off during business hours; shall be applied to utility bill if not prepaid $50
   Turn on or off after hours; shall be applied to utility bill if not prepaid $100
(m) Unauthorized use of fire protection system $100
(n) Fire protection system testing (per test) $50
(o) Meter reinstallation charge (per meter) $35
(p) Inspection fee (per connection)
- Water or sewer connection $45
- Backflow $45
- Re-inspection of either water, sewer, or backflow $20

(q) Should a property owner request an existing service connection be replaced with a larger one, the charges scheduled above will apply in full.

(r) Payment of lump sum charges or charges based on estimated costs, as above, is a prerequisite to issuance of a building permit pursuant to Section 7-65 of the City code. Overpayments made as a result of overestimating costs will be reimbursed, and the City will invoice underpayments to the developer.

(s) The City’s charge for a returned check or debit, as authorized in Section 25-34, shall be the maximum allowed by State law. This amount shall be applied to current utility bill, along with amount of the unpaid check. There will be no convenience fees charged on any credit/debit card payments.

(t) Water Service renewal fee shall be charged on the basic labor, material, and overhead costs, not to exceed the fee of a residential ¾” Water tap – SRU installed.

(u) Sewer Lateral Transfer (transfers from private to public): $1,975
Sewer lateral transfer covers the expense of materials, equipment and labor to renew the existing tap from the edge of the property right-of-way to the public sewer system. The fee is one-time only and once the work is performed, the ownership and responsibility to maintain the lateral downstream of the cleanout belongs to the City. Payment, in full, must be received prior to commencing work.

(v) Private Sewer Lateral Repair (in ROW, lateral remains private):
Private Sewer Lateral Repair covers the expense of materials, not to exceed equipment and labor to excavate and install a cleanout at the right-of-way of the private sewer lateral. Once installed, the City can inspect the portion of the sewer lateral and advise the property owner of the condition. The property owner can elect to transfer the lateral to the City with no refund of remaining balance, or elect to receive a refund of the fee less time and materials. Payment, in full, must be received prior to commencing work; refund based on completion of work and submittal of summary cost sheets. Refund may take up to two weeks to process.

(w) Recycling Fee $5.80/month

(x) Landfill Fee
- Residential (per container) $5.13/month
- Commercial (per container) $9.14/month

(y) Waste Collection Fee
- Residential (per container) $9.28/month
- Commercial (per container) $11.66/month
- Removal of containers for nonpayment $25

(z) Stormwater Fee
- Residential $4.41/month
- Commercial/Industrial per ERU with a minimum of one ERU (Capped at $2,600/month) $4.41/month

(aa) Unauthorized reconnection fee (tampering charge for disconnecting a meter that has been illegally reconnected after meter has been disconnected due to non-payment or illegally connecting a meter in vacant status.) $250

(bb) Locking Devices Cut or Damaged $250

(cc) Meter Yokes Damaged $300

(dd) Metering infrastructure (meters, meter boxes, yokes, endpoints, etc.) damaged through intentional or deliberate action shall be charged on the basis of labor, material, equipment, and overhead costs at then prevailing or established rates. Accidental damage shall be charged at actual replacement costs of the equipment.

(ee) The fact that water is turned on to any premises by an occupant thereof without the approval of the City of Salisbury personnel shall not relieve such premises of liability for the unauthorized use of water and damage (if any) to City of Salisbury property.

(ff) Bulk water purchases are subject to the following deposits, monthly administrative fees and volume charges based on Schedules C and D.
Commercial/Industrial Hydrant Meter, Refundable Deposit $750

Section 3. **Tax Levy**

There is hereby levied the following rates of Ad Valorem Tax on each one hundred dollars ($100.00) valuation of taxable property, as listed for taxes as of January 1, 2022 for the purpose of raising the revenue from current year's property tax, as set forth in the foregoing estimate of revenue, and in order to finance the foregoing appropriation, to wit:

**General Fund:**
(For the expense incident to the proper government of the City of Salisbury)

--- $ .7196

**Municipal Service District:**
(To promote, encourage and assist in the revitalization and economic health and stability of the downtown area)

--- $ .176

The estimated Ad Valorem Tax income is based upon collection of the above Tax rates as applied to the valuation of $3,221,424,734 for General Fund purposes.

There is hereby levied a Municipal Vehicle Tax of $30.00 on each vehicle resident as authorized by General Statute 20-97.

Section 4. There is hereby levied a tax of 1.5% on gross receipts derived from retail short-term lease or rental of vehicles to the general public. This tax will be levied, reported, and collected as established under Ordinance 2000-47 as authorized by General Statute 160A-215.1.

Section 5. Appropriations hereinabove authorized and made shall have the amounts of the unearned portion of contracts at June 30, 2022 added to each appropriation as it applied in order to properly account for the payment against the fiscal year in which it is paid.

Section 6. The City Manager is hereby authorized to make any budget amendments as may be required within each fund as long as the total appropriation for each fund does not change and contingency funds are not utilized.

Section 7. Copies of this ordinance shall be furnished to the City’s Finance Director, to be kept on file, for direction in the disbursement of City funds.

Section 8. The following schedules and fees are hereby adopted and all references to these fees in the City Code of Ordinances are amended to reflect these new schedules and fees as appropriate:

(b) Waste Collection and/or Stormwater Residential without water service
(c) Commercial, industrial, and institutional recipient
   Local, state, and federal governments or agencies thereof shall be exempted.
(d) Consumers with more than one account at the same location shall be required to make only one deposit if the customer has a good pay history. Commercial or industrial customers who operate multiple businesses under one corporate management shall be required to pay a deposit for each business or industry.
(e) Any consumer or recipient of water, discharges of sewage, fibrant, waste collection and/or stormwater, that has previously been disconnected for non-payment or has any outstanding balance for previous services with the city will be required to pay a deposit.
(f) Deposits shall be returned at termination of service less any unpaid rates and charges.
SCHEDULE B
METER INSTALLATION AND SEWER CONNECTION CHARGES

Charges in Schedule B shall be as authorized in Chapter 25, Article II, Section 25-33, of the City Code. Tap fees are based upon the actual cost of material and labor at the time of connection. Estimates will be provided but the actual cost may fluctuate depending upon material price increases or supply chain shortages.

(a) Three-fourths-inch residential water tap:
- ¾” Water tap - SRU installed $2,350
- ¾” Water tap - Developer installed $425
- ¾” Water tap - Crescent $1,275

(b) One-inch residential water tap $2,675

(c) Irrigation taps are one-half the cost of regular taps and not subject to any discounts.

(d) All commercial water services, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. For these purposes, commercial shall be defined as anything other than single-family detached homes. All water connections made to a distribution main 24” or larger in diameter shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. All residential water connections larger than 1”, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. All residential water connections larger than 1”, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. Master meter installations required for private water or sewer systems shall be charged on the basis of material costs at the prevailing or established rates (See Chapter 25, Article II, Section 25-33 City Code).

(e) Four-inch residential sewer connections:
- 4” Sewer tap - SRU Installed $1,975
- 4” Sewer tap - Developer Installed*: $250
*Note: Includes the Crescent Subdivision

(f) All commercial sewer services, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at the prevailing or established rates. For these purposes, commercial shall be defined as anything other than single-family detached homes. All residential sewer services larger than four-inch, both inside and outside City shall be charged on the basis of labor, material, equipment and overhead costs at then prevailing or established rates. (See Chapter 25, Article II, Section 25-33 City Code).

(g) Water meter packages are materials only and are available for purchase when on-site submetering is required. Package includes meter, setter, meter box with lid, 2 ft. copper tailpiece outlet, and outlet coupling. Meter is installed by SRU upon inspection approval.
- ¾” Meter Package $890
- 1” Meter Package $1,120
- 2” Meter Package $3,550

(h) Partial Abandonment Fee $150

Where a second water connection exists on a lot and is not in use, it must be abandoned. Partial abandonment allows the connection to be put back into service at a later date, if desired, with payment of a Water Service Renewal Fee. Partial abandonment is not allowed for connections with substandard service lines.

(i) Full Abandonment Fee Time and Materials

Where multiple water and/or sewer connections exist on a lot and are not in use, they must be abandoned. Full abandonment is not reversible. Should a property owner request that a connection be put back into service at a later date, the charges scheduled above will apply in full.

(j) Disconnection/Reconnection fee for non-payment during business hours $50
(k) Physical notification of non-payment of a utility bill or disconnection notice (hanging tag) $50

(m) Unauthorized use of fire protection system $100
(n) Fire protection system testing (per test) $50
(o) Meter reinstallation charge (per meter) $35
(p) Inspection fee (per connection)
- Water or sewer connection $45
- Backflow $45
- Re-inspection of either water, sewer, or backflow $20

(q) Should a property owner request an existing service connection be replaced with a larger one, the charges scheduled above will apply in full.

(r) Payment of lump sum charges or charges based on estimated costs, as above, is a prerequisite to issuance of a building permit pursuant to Section 7-65 of the City code. Overpayments made as a result of overestimating costs will be reimbursed, and the City will invoice underpayments to the developer.

(s) The City’s charge for a returned check or debit, as authorized in Section 25-34, shall be the maximum allowed by State law. This amount shall be applied to current utility bill, along with amount of the unpaid check. There will be no convenience fees charged on any credit/debit card payments.

(t) Water Service renewal fee shall be charged on the basic labor, material, and overhead costs, not to exceed the fee of a residential ¾” Water tap – SRU installed.

(u) Sewer Lateral Transfer (transfers from private to public): $1,975
Sewer lateral transfer covers the expense of materials, equipment and labor to renew the existing tap from the edge of the property right-of-way to the public sewer system.
The fee is one-time only and once the work is performed, the ownership and responsibility to maintain the lateral downstream of the cleanout belongs to the City.
Payment, in full, must be received prior to commencing work.

(v) Private Sewer Lateral Repair (in ROW, lateral remains private): Time and Materials $1,975
Private Sewer Lateral Repair covers the expense of materials, equipment and labor to excavate and install a cleanout at the right-of-way of the private sewer lateral. Once installed, the City can inspect the portion of the sewer lateral and advise the property owner of the condition. The property owner can elect to transfer the lateral to the City with no refund of remaining balance, or elect to receive a refund of the fee less time and materials. Payment, in full, must be received prior to commencing work; refund based on completion of work and submittal of summary cost sheets. Refund may take up to two weeks to process.

Remedial Action Plan Updates

The purpose of Remedial Action Plan is to establish a registration requirement for Owners of Residential Rental Property when excessive levels of Disorder Activity have occurred on or in the property. In addition, the City desires to establish a method to hold Owners of Residential Rental Property accountable for failing to use effective methods to reduce Disorder Activity on their property. Tracking and detecting Crime on Rental Properties in the City of Salisbury, NC.

Properties Register in the Remedial Action Plan Program to date is 536.

Made contact with 26 properties about disorder active reference by Police Calls for Service. This has resulted in compliance with all at this time.

Scheduled meeting with an Apartment Complex to update Crime Prevention measures on that property.

Respectfully Submitted,

Karen Barbee
Remedial Action Plan Coordinator
AN ORDINANCE TO ORDER THE DEMOLITION OF A DWELLING UNIT UNFIT FOR HUMAN HABITATION LOATED AT 318 VANDERFORD STREET IN THE CITY OF SALISBURY, NORTH CAROLINA.

WHEREAS, the City of Salisbury finds that the dwelling described herein is unfit for human habitation under the Housing Code of the City of Salisbury and that all of the procedures of the Housing Code and of NCGS 160A-441 et seq. have been complied with; and

WHEREAS, this dwelling is dilapidated and the cost of repairs to make the dwelling fit for human habitation is more than 50% of the value of the structure; and

WHEREAS, the dwelling should be removed or demolished as directed by the Code Enforcement Inspector in the Finding of Fact and Order to Demolish, published on February 1, 2022; and

WHEREAS, the dwelling should be placarded by placing thereon a notice prohibiting use for human habitation; and

WHEREAS, the Housing Inspector confirms that as of the date of this Ordinance, the dwelling has been vacated and only rubbish remains within the interior of the dwelling unit; and

WHEREAS, the owner of this dwelling has been given a reasonable opportunity to bring the dwelling up to the standards of the Housing Code in accordance with NCGS 160A-443(5) pursuant to an order issued by the Code Services Coordinator on February 1, 2022, and the owner has failed to comply with the Order.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Salisbury that:

SECTION 1. The Housing Inspector is hereby authorized and directed to place a placard on the dwelling containing the legend:

"This building is unfit for human habitation; the use or occupation of this building for human habitation is prohibited and unlawful."

On the building located at the following address:

318 VANDERFORD STREET, Salisbury, North Carolina, Rowan County Parcel ID 009 099

SECTION 2. The Code Enforcement Officer/Housing Inspector is hereby authorized and directed to proceed to remove or demolish the above-described structure in accordance with the order to the owner dated February 1, 2022, and in accordance with the Housing Code and NCGS 160A-443:
SECTION 3. The cost of removal or demolition shall constitute a lien against the real property upon which the cost was incurred. The lien shall be filed in the office of the Rowan County Tax Collector, and shall have the same priority and be collected in the same manner as the lien for special assessments in Article 10 of the NCGS Chapter 160A or as otherwise allowed by law.

SECTION 4. Upon completion of the required removal or demolition, the Code Enforcement Officer/Housing Inspector shall sell any materials of the dwelling and credit the proceeds against the cost of removal or demolition. The Code Enforcement Officer/Housing Inspector shall deposit the surplus in the Superior Court where it shall be secured and disbursed in the manner provided by NCGS 160A-443(6).

SECTION 5. It shall be unlawful for any person to remove or cause to be removed the placard from any building to which it is affixed. It shall likewise be unlawful for any person to occupy or to permit the occupancy of any building therein declared unfit for human habitation.

SECTION 6. This Ordinance shall become effective upon its adoption.

Requested Agenda Item: Council to review the City’s Draft FY 2022-23 Action Plan & Budget for the use of Community Development Block Grant (CDBG) & HOME Program funds from the U.S. Department of Housing & Urban Development (HUD).

Description of Requested Agenda Item:

The City of Salisbury receives Federal formula funds annually from the U.S. Department of Housing and Urban Development (HUD). As a condition of receiving these funds, the City is required to develop an annual Action Plan and Budget that outlines the community development goals on which it will focus these funds. The FY 22-23 Action Plan and Budget covers the period between July 1, 2022, and June 30, 2023. During this period, the City will receive the following funds:

- Community Development Block Grant (CDBG)………………………………………$290,752.00
- Projected CDBG Program Income ……………………………………………………$20,000.00
- HOME Investment Partnerships Program (HOME) ………………………………..$204,168.00

TOTAL: $514,920.00

The above funds will be used to meet the goals and objectives adopted by the City Council in the 2020-2024 Consolidated Plan. The Consolidated Plan describes community needs and determines local priorities for using public resources to assist low- and moderate-income residents of Salisbury.

On June 21, 2022, Salisbury City Council will review the Draft FY 22-23 Action Plan. Affordable housing, public services, and public infrastructure improvements continue to be high priorities among all budget investments. Salisbury City Council will consider final approval of the Action Plan and Budget at its regular meeting on July 19, 2022.

**TOTAL BUDGET** $514,920.00

**Action Plan & Budget Details**

This year’s CDBG & HOME Action Plan & Budget identifies activities to develop and strengthen communities with the provision of decent housing and a suitable living environment, principally for low- and moderate-income persons in Salisbury.

The proposed Budget & Action Plan (attached) continue the City’s investment in owner-occupied housing rehabilitation to assist low- and moderate-income homeowners. Based on past activities, the vast majority of those who apply for this assistance are elderly, minority homeowners. The Budget & Action Plan also continue the City’s investment in local public service agencies that benefit low- and moderate-income populations.

The Budget & Action Plan allocates funding for improvements to the West End Community Garden, which include redesigning the site to create easier access for maintenance, new sustainable planter boxes, a storage building for supplies, material bays (for mulch, dirt, gravel), and adding electrical and water access at the shelter and in additional spots.

Finally, this Budget & Action Plan includes the final loan re-payment on the Section 108 loan used to rehabilitate the Park Avenue Community Center.

Reason:
Purpose of Block Grants

U.S. Department of Housing and Urban Development (HUD) provides annual grants to cities, counties and states. The purpose is to develop strong communities by:

- Providing decent housing
- Creating a suitable living environment
- Expanding economic opportunities
- Improving quality of life

Specifically, for persons of low or moderate income

Current Revitalization Neighborhoods

Selected based on overall housing condition, median family income and percentage of individuals living in poverty, the City of Salisbury has identified five neighborhoods for priority funding for housing, infrastructure and public facilities:

- Park Avenue
- West End
- East End
- Jersey City
- North Main

Public Service Agency Support

Improve housing conditions for low and moderate income homeowners

Provide services to homeless individuals and families

Deliver food for homebound seniors and disabled individuals

Provide prevention services through the creation of a “food pharmacy” program

Offer mental health diagnosis, counseling and services

Provide education and therapy to victims of child abuse
This FY 2022-23 Community Development Draft Action Plan & Budget is made available for public inspection between June 13 and July 13, 2023. City of Salisbury, North Carolina
Community Development Block Grant (CDBG) & HOME Investment Partnerships

Action Plan

FY 2022-2023

Planned investments in community & neighborhood development projects and related efforts toward achieving the objectives described in Salisbury’s 2020-2024 Consolidated Plan.
Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The City of Salisbury receives federal formula funds annually from the U.S. Department of Housing & Urban Development (HUD). As a condition of receiving these funds, the City is required to develop an annual Action Plan that outlines the community development goals on which it will focus these funds. This Action Plan covers the period between July 1, 2022 and June 30, 2023. During this period, the City will receive the following Federal formula funds:

- Community Development Block Grant (CDBG) .......................................................... $290,752.00
- Community Development Block Grant (CDBG) Projected Program Income ............ $ 20,000.00
- HOME Investment Partnerships Program (HOME) ................................................. $204,168.00

TOTAL: $514,920.00

These funds will be used to meet goals and objectives established and approved by the Salisbury City Council and articulated in the City’s 2020-2024 Consolidated Plan. The Consolidated Plan describes community needs and determines local priorities for using public resources to assist low- and moderate-income (LMI) residents of Salisbury over a five-year period.

The Consolidated Plan is carried out by Annual Action Plans, which identify how jurisdictions will spend limited public resources each year to meet the goals and priorities of the 2020-2024 Consolidated Plan. This CDBG & HOME Action Plan is a document which identifies government action that will be taken in FY 2022-2023 to develop and strengthen communities by ensuring the provision of decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- and moderate-income persons in Salisbury.

The City of Salisbury recognizes the importance of developing this plan using input from citizens who are most likely to be impacted by the goals and objectives set forth in the plan. The strategy to gather input and participate in consultation activities is outlined by the framework provided by the U.S. Department of Housing and Urban Development (HUD). Citizen participation is incorporated within the process through public outreach and engagement activities by City planning staff and partnering agencies. This plan’s goals and objectives were developed in consultation with citizens, nonprofit organizations, and other governmental bodies. The City of Salisbury and the Salisbury Community Development Corporation are responsible for plan coordination and reporting.
2. Summarize the objectives and outcomes identified in the Plan

The main objective of the FY 2022-2023 Annual Action Plan is to implement CDBG and HOME eligible activities and projects that solidify the strategic vision of the Five-Year Consolidated Plan. As a HUD Entitlement Community, the City will continue to support decent housing, a suitable living environments for persons of low- and moderate-incomes. CDBG funds can be used for a wide range of activities. For FY 2022-2023, the City expects to expend funding on housing-related activities, public facilities, public services and planning/administration activities.

3. Evaluation of past performance

The City of Salisbury’s investments in housing and public infrastructure have helped to stabilize neighborhoods by removing blighted structures, improving the condition of existing homes, increasing the supply of affordable homes, replacing aging sidewalks, and creating safe and more inviting parks and community centers. The City has partnered with Salisbury Community Development Corporation for more than twenty years to carry out housing programs that have produced concrete positive results. Housing counseling programs offered by the Salisbury CDC have helped families prepare for homeownership, improve their credit worthiness, obtain financing and maintain their home. By promoting homeownership and investing in housing and public infrastructure, the City has helped to strengthen neighborhoods and improve the overall quality of life. The City’s involvement as a development partner in the affordable rental market has helped with a critical need for safe and affordable units for rent.

Since 2005, the City of Salisbury has received approximately $6,000,000.00 through CDBG and HOME programs. Notable accomplishments with these funds include, but are not limited to, the following:

- More than 50 home acquisition/rehab/resale or new construction projects completed;
- More than 40 home emergency rehabilitation projects completed;
- Down payment and closing cost assistance made available to 12 low-moderate income first-time homebuyers;
- Demolition and blight removal to stabilize at-risk neighborhoods;
- More than five streetscape improvement/public infrastructure projects completed. These include improvements in the East End neighborhood at the Dixonville Cemetery; new sidewalk construction on Partee Street and Old Plank Road in the West End neighborhood; the
reconstruction of the Jersey City neighborhood entrance; and new sidewalk construction on Monroe Street

- Public service funding extended to numerous organizations serving low-moderate income populations including those that are homeless, those that have suffered abuse, those that lack health insurance, those that are homebound without access to fresh food, and those that have been impacted negatively by COVID-19.
- Summer employment program for youth of low-moderate income families
- Participation in development of affordable rental housing communities (Brenner Crossing Phases 1 and 2, and Westbridge Village); and
- More than 200 individuals have participated in homebuyer education training, consisting of training in money management, pre-homeownership, home maintenance and landscaping training.

4. Summary of Citizen Participation Process and consultation process

The City of Salisbury’s Community Planning Services department developed this 2022-2023 Action Plan with consultation from a diverse group of individuals and organizations. Consistent with the framework outlined by HUD, a Citizen Participation & Consultation Plan guided the plan’s development.

A public hearing for the use of these funds was held on June 7, 2022 at a meeting of the Salisbury City Council. Two public information and input sessions on the use of federal formula funds from the CDBG & HOME programs were held on March 30, 2022 and April 21, 2022.

The draft Action plan was made available for public review from June 13, 2022 until July 14, 2022. The draft plan was presented to the Salisbury City Council on June 21, 2022, and an additional public input session on the draft was held June 16, 2022.

5. Summary of public comments

A public hearing was held on June 7, 2022. No one signed up to speak.

A meeting of the Neighborhood Leaders Alliance was held on March 30, 2022 to receive ideas from diverse neighborhoods regarding the use of federal community development funds. Conversation was facilitated and guided by a questionnaire. Comments included the need for:

- A sidewalk on Brenner Avenue near the Veteran’s Administration Hospital (note that this project is already in ROW acquisition)
- Neighborhood community centers and programming for children and teens
- A refresher and activation of Cannon Park
- Workforce development programs (coding, for example)
- Regular street sweeping and bulky pick up
• Construction of new affordable housing and an increase in the overall housing supply

As part of Fair Housing month, key stakeholders were engaged on April 21, 2022 in a round table discussion about the housing struggles experienced by low income persons and those in the protected classes. Those in attendance included representatives from Rufty Holmes Senior Center, Rowan County Department of Social Services, Rowan County United Way, City of Salisbury Communication Department, and City of Salisbury Human Resources. Discussion centered on the need for:

• An expanded minor repair program to retrofit housing units to accommodate low-income and disabled veterans, as well as low-income seniors;
• Fair housing education for renters and landlords that engages people where they are through art, mixed media, other platforms;
• An educational campaign combatting “predatory” home flippers
• Developing and implementing a multi-year, phased approach to Fair Housing: education, encouragement, and enforcement.

During the 30-day public review period, staff collected comments via email and in person at a June 16, 2022 input and information session. Comments included: TO BE COMPLETED

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments were accepted. Comments made regarding creation of new programs will be considered in future planning opportunities when funding permits.

7. Summary

The City of Salisbury’s 2022-2023 Action Plan identifies action that will be taken in FY 2022-2023 to stabilize, develop and strengthen communities by ensuring the provision of decent housing and a suitable living environment, by improving public facilities and infrastructure, furthering fair housing and providing support for homeowners who are low- and moderate-income persons. This plan furthers goals and outcomes identified in the 2020-2024 Consolidated Plan.

**Narrative**

The City of Salisbury, through the department of Community Planning Services, will coordinate all planning and reporting activities for the CDBG and HOME programs, including developing budgets and completion of annual Action Plans and Performance Reports. The City will provide a staff contact and participate in the Cabarrus/Iredell/Rowan HOME Consortium and the Piedmont Regional Continuum of Care. Planning staff will manage non-housing/infrastructure projects and will be responsible for monitoring the activities of public service agencies or other sub-recipients. The Finance Department will oversee the drawdown of Federal funds and disbursements.

The Salisbury Community Development Corporation (CDC) will implement the CDBG and HOME grant programs as they relate to housing. The CDC will manage all aspects of housing acquisition, rehabilitation, site development, new construction and other housing activities. Related functions such as inspections, work write-ups, bid process, construction contracts, homebuyer education/counseling and confirming eligibility of applicants will be carried out or managed by the CDC. The CDC will also act on the City’s behalf to forge partnerships with lenders and other agencies to obtain reduced interest rates, grants and other leveraged assets. The City and the CDC will work with neighborhood organizations in designated revitalization areas to ensure that activities are tailored to the needs and desires of residents and will provide assistance as needed to other non-profits and agencies serving low-to-moderate income populations, the homeless and special needs populations.
The City will continue to support the work that our invaluable community-based organizations and partners, as well as other City of Salisbury departments to plan, develop, implement, and evaluate activities outlined in this Plan.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Salisbury Action Plan is developed with input from those most likely to be affected by the goals and objectives set forth in the plan. The strategy to gather input and participate in consultation activities is outlined by the framework provided by the U.S. Department of Housing and Urban Development. Citizen participation is incorporated through public outreach and engagement activities by City planning staff and partnering agencies.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The City of Salisbury makes effective use of federal funds through many partnerships and collaboration, and by providing in-kind assistance and technical resources to other agencies in support of mutual goals. Federal funding allocation priorities are based on the City’s intent to focus funds in order to achieve the greatest possible impact in areas with the greatest need. The City of Salisbury works with the Salisbury Housing Authority (SHA) to raise awareness and distribute media about the homeownership programs available through the Salisbury Community Development Corporation (CDC). The CDC is a non-profit, Community Housing Development Organization that helps to administer the City’s CDBG and HOME grants. The organization partners to offer homeownership and housing counseling to eligible first-time home buyers, as well as homeowners in need of mortgage refinancing or facing foreclosure. The City helps address the needs of public housing residents by coordinating with the Family Self-Sufficiency Program (Salisbury Housing Authority) to encourage participation in financial literacy classes. Homeless prevention activities include partially funding the Homelessness Coordinator at Rowan Helping Ministries. The coordinator has created a coalition of governmental and non-governmental stakeholders working together to provide outreach and resources to those who are homeless. Two Resource Fairs for homeless individuals have occurred in 2021-2022, and there is now a coordinated approach between Rowan Helping Ministries, the Salisbury Police Department, and Salisbury Code Enforcement to get people the services they need.

The City will continue efforts to improve service coordination. Some activities will include:

- Continue to participate in the committee on homelessness spear headed by Rowan Helping Ministries
- Participate in Healthy Rowan, a collaboration of health and wellness related organizations
- Continue to participate in the Piedmont Regional Continuum of Care which strives to meet the housing needs of the homeless through regional partnerships;
- Regularly communicate with homeless service providers to stay attuned to periodic fluctuations in the homeless population and better understand the priority needs;
• Continue to engage public housing residents through community policing efforts and providing information about public transportation, recreation and other city services;
• Continue to participate in the Self-Sufficiency Programs (Salisbury Public Housing Authority) and encourage residents to attend classes at the Salisbury CDC on budgeting, home financial management, insurance needs and related topics;
• Continue to be responsive to requests from community service providers for GIS services, technical assistance or other assistance that the city is able to provide;
• Continue to support the efforts of the Human Relations Council and the Hispanic Coalition to engage diverse populations and encourage their participation in civic affairs.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City does not directly administer any program providing support or care to homeless individuals and families however, the City has historically provided annual public service funding for emergency shelters for the homeless that are administered by Rowan Helping Ministries and the Family Crisis Council.

The City is an active participant in ongoing efforts to address the needs of homeless persons by maintaining active partnerships with local organizations that support the homeless. The City will continue to allocate public service funding to these organizations, as well as attend meetings relative to the City’s role in addressing poverty in our community. City staff participate in regular meetings of the Continuum of Care and receive all email correspondence on CoC activities and updates.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction’s area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Rowan County is part of a regional committee under the NC Balance of State Continuum of Care (CoC) that consists of 79 rural counties and broken into 30 regional committees. The Piedmont Regional Committee includes the following counties: Cabarrus, Davidson, Rowan, Stanly and Union counties. Locally, Rowan Helping Ministries (RHM) provides services to the homeless, including overnight shelter services. RHM provides bi-annual point-in-time homeless population counts, tracking information and other coordination activities to the Piedmont Regional Committee lead organization, Community Link in Charlotte, North Carolina. There is an Action Plan for the entire NC Balance of State COC but not specific to the Piedmont Region.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Federal funds will leverage in-kind support from the City related to infrastructure improvements with new housing development, park maintenance and future upgrades, and other state and federal grants that can be secured through the efforts of city staff. For the last four years, the City has allocated $800,000 to a housing program in the West End and Park Avenue neighborhoods to assist with exterior rehabilitations to homes. Roofs, gutters, porches, windows, doors and paint are among eligible projects. A portion of these funds are used as the required match for HOME program, allowing new construction
for low-moderate homebuyers to be completed.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City owns a 12-acre site in the Park Avenue neighborhood that was recently awarded an EPA Brownfields Cleanup grant. After cleanup has been completed, the City will be developing an RFP which could include stipulations or requirements for the creation of new affordable housing in the future redevelopment of the site.

**Describe the reasons for allocation priorities and any obstacles to addressing underserved needs**

Allocation priorities were determined through the PY 2022 citizen participation process, the priorities of the 2020-2024 Consolidated Plan, and in support of goals of the City Council.

Obstacles to addressing underserved needs include:

- A shortage of developers to build and rehabilitate affordable housing
- Increased costs of building and rehabilitating
AP-38 Project Summary

CDBG Projects are listed in the table below. In addition, activities using HOME funds include the creation of one (1) new single-family home for purchase by a moderate-income homebuyer (50-80% income range) who will receive homebuyer education and counseling, and may also qualify for down payment assistance with ensures affordability. This home will be constructed in the Park Avenue neighborhood.

In addition, down payment assistance will be provided for up to three (3) households in the 50-80% AMI income range. With the current market and escalation of housing costs, down payment assistance is more important than ever to ensure access to affordable homes. This assistance reduces the amount of the monthly mortgage payment, making homeownership affordable for these families.

P-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Housing and infrastructure funds will be directed to neighborhoods which have experienced persistent problems with housing decline; areas where predominantly low and moderate income families live and where neighborhoods are suffering due to the age of housing stock. These targeted areas include the Park Avenue, West End, Jersey City, North Main Street and East End neighborhoods. The housing programs will also be available for eligible applicants residing anywhere within the City of Salisbury.

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

The goal will be to equally distribute funds for the owner occupied housing program between the target neighborhoods. Additional funds will be spent in the Park Avenue Neighborhood to complete paying off the debt service for the Park Avenue Community Center. This year’s public infrastructure project is planned to be in the West End neighborhood.
AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

As identified in the 2020-2024 Needs Assessment, demand for affordable housing surpasses the supply. Lack of supply of housing means that rents can increase and waitlists for subsidized housing grow longer. The City's zoning and land development policies, ordinances and zoning are generally favorable and provide opportunities for development of multi-family residential. In the past, the City has assisted in the development of affordable rental housing by providing financial assistance to several LIHTC developments, including Westridge Village Phase II and Brenner Crossing Phases I and II. Assistance has included both federal and non-federal funds.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

- The City is currently updating the Comprehensive Plan and Future Land Use Map, Forward 2040, which will guide where growth and development occur over the next twenty years. Goals and policies are being created to encourage housing choices at a range of price points across the City.
- The City is looking to begin a Comprehensive Housing Strategy to identifying tools and funding mechanisms to foster and develop sustainment and creation of affordable housing.
- Additional actions could include:
  - Continued financial support and possible expansion of rehabilitation program to preserve existing housing stock.
  - Continued financial support and possible expansion of homeownership down payment program administered by Salisbury CDC.
  - Evaluate State and Federal programs to identify potential new funding programs to help increase housing supply.
  - Develop an inventory of vacant housing and assess if CDBG and HOME funds can support rehabilitation to increase affordable housing stock.
AP-85 Other Actions - 91.420, 91.220(k)

Actions planned to address obstacles to meeting underserved needs

The City will help meet underserved needs by focusing resources in areas of concentrated poverty and where minority concentration exceeds the city average. Through the designation of available City funds, Salisbury will continue to work to increase access to health care, human services, and public transportation in order to improve outcomes for families, increase employment, improve education, introduce a greater mix of incomes and households and to improve the overall living environment.

Actions planned to foster and maintain affordable housing

Efforts this year will focus on the rehabilitation of existing units to preserve housing stock and ensure quality living environments for homeowners. As property values rise, it’s important that those on a limited or fixed income are able to stay in their neighborhoods and maintain their homes.

The City intends to begin work on a comprehensive Housing Strategy that will take stock of federal, local and other resources to address housing challenges.

Actions planned to reduce lead-based paint hazards

For all rehab work, the Salisbury Community Development Corp. will conduct lead inspections and include abatement as part of the project if needed.

Actions planned to reduce the number of poverty-level families

The City will bolster partnerships with Rowan-Salisbury Schools, NC Works, Rowan Cabarrus Community College, and the Rowan Economic Development Commission to create an educated workforce, trained to do jobs that are being created throughout the County.

Actions planned to develop institutional structure

The City will continue its long-standing partnership with the Salisbury CDC to manage its housing programs and homeowner education courses. City staff will continue to manage the public input and budget development process. City staff will attend monthly CDC board meetings to stay apprised of current activities and rehab work being conducted.

Actions planned to enhance coordination between public and private housing and social
City staff will continue to coordinate with the Salisbury Housing Authority, the Continuum of Care, the Homelessness Coordination Team, Healthy Rowan, and other public service agencies to identify issues where the City can provide assistance.

Community Development Block Grant (CDBG) & HOME Programs

FY 2022-23 Proposed Action Plan & Budget
City Council – June 21, 2022
The City of Salisbury receives federal formula funds annually from the U.S. Department of Housing & Urban Development to improve neighborhoods and expand housing opportunities.

In FY 2021-22, the City will receive **$514,920.00** through these programs.

- Community Development Block Grant (CDBG) ........................................... $290,752.00
- Community Development Block Grant (CDBG) Projected Program Income .......... $20,000.00
- HOME Investment Partnerships Program (HOME) ...................................... $204,168.00

These funds will be used to meet goals and objectives established and approved by the Salisbury City Council in the 2020-2024 Consolidated Plan.

The Consolidated Plan describes community needs and determines local priorities for using public resources to assist low- and moderate-income (LMI) residents of Salisbury over a five-year period.
The Consolidated Plan is augmented by annual Action Plans, which identify how limited annual federal funding will be used.

The 2021-22 Action Plan prioritizes the following goals:

- **Goal 1**: Increase supply of decent, affordable housing.
- **Goal 2**: Improve public facilities & infrastructure (West End Community Garden).
- **Goal 3**: Provide opportunities for home ownership
- **Goal 4**: Provide assistance to public service agencies
- **Goal 5**: Affirmatively further fair housing
- **Goal 6**: Effectively plan and administer programs

Requested Agenda Item:  Council to consider renewing a contract with Strategics Consulting for Federal lobbyist services.

Description of Requested Agenda Item:  The City has contracted with Strategics Consulting for federal lobbying services since August 2018 and the existing contract expires July 31. A new contract is proposed for a two year period. The new contract also proposes to raise the rate from $4,000 per month to $5,000 per month which is closer to industry standards. Payment for federal lobbying services is split between the General Fund and the Water Sewer Fund. The City has had a successful relationship with Strategics Consulting and staff recommends approval of the contract renewal.

Reason:
Dear Mrs. Baker:

Thank you for allowing the Strategics Consulting team to provide federal advocacy and government relations services to the City of Salisbury. Our continued collective accomplishments, the level of awareness, the stronger relationships between the City with your Members of Congress and the federal agencies, and their interest in working in partnership with the City, continues to grow.

As a result, I am writing on behalf of our team to request that the City renew our contract for two more years (2022-2024) to allow us to work through the next Congress and that the City consider an increase from $48,000 annually to $60,000 annually to bring the contract closer to industry standards, which range from $60,000 to $200,000 for local governments. We believe the City has already seen a substantial return on its investment and we are committed to ensuring this success continues every year that you entrust us with your federal advocacy needs.

During the last two years Salisbury’s partnership in working with Strategics has resulted in the City securing more than $2.43 million in federal funding to support the City’s priorities. This has been gained in the following ways:

- $543,185 in Historic Restoration funding for downtown Salisbury;
- $500,000 for Brownfields Cleanup of the Kesler Mill site;
- Technical Assistance under Local Foods, Local Places for the Farmers Market;
- $480,000 for Buses and Bus Facilities;
- $110,909 for Fire Department equipment; and
- $800,000 under Byrne Criminal Justice Innovation grant for West End neighborhood development.

Strategics was instrumental in helping the City secure these funds by participating in federal agency webinars; writing letters of support for congressional offices and coordinating delivery of same to the federal agencies; arranging calls with federal agencies; evaluating feedback on previously unsuccessful applications; editing grant applications in advance of submittal to make recommendations for improvement; arranging and participating in debriefing calls; sharing key political contacts; and regularly advising on grant programs and keys to being successful based on current political focus points.

Additionally, Strategics has worked with the City in several other ways:

- Prepared the annual Federal Action Plan, presented it to the City Council, developed strategies to implement it; and advocated for it directly with decision makers at the federal level.
☑ Coordinated local meetings with the City’s Congressional Delegation and a representative from the Executive Office of the President.
☑ Prepared the DC schedule for the City’s delegation to meet with federal elected officials and their staff, as well as decision makers in the federal agencies such as the U.S. Environmental Protection Agency and the U.S. Department of Agriculture.
☑ Arranged for virtual meetings with federal elected officials and their staff, as well as federal agency officials, during COVID-19 when face-to-face meeting were not possible.
☑ Attended all meetings in DC, NC, and virtually, prepared and sent background information prior to each meeting to attendees; provided briefing materials electronically to federal offices in advance of meeting; and followed up on all accordingly.
☑ Worked with the city and congressional delegation to urge the Federal Energy Regulatory Commission (FERC) to give Salisbury’s concerns regarding the Yadkin Hydroelectric Project and pump station impacts appropriate consideration, garnered congressional support for city’s FEMA Building Resilient Infrastructure and Communities (BRIC), and assisted the city on finalizing and submitting its proposal for FY23 Congressionally Directed Spending to support the Water Supply Pump Station.
☑ Responded to new issues and provided breakdowns of often large, complicated bills and/or administrative orders.
☑ Provided regular updates on individual grant opportunities, which is currently sent every week and a comprehensive list of competitive grants forthcoming that is updated twice a year.

Currently, we also have funding requests pending for Congressionally Directed Spending and are working with the City to identify the best grants to pursue over the next five years under the Bipartisan Infrastructure Law.

Although these highlights are not all inclusive, they do represent the variety of positive work and successful outcomes for Salisbury while Strategies Consulting has advocated on the City’s behalf at the federal level. Still, there is always room for improvement and we welcome suggestions that will help us serve the City better.

Thank you in advance for your time and consideration of this request and, hopefully, for the opportunity to continue working for the City of Salisbury.

Respectfully,

Leslie C. Mozingo
Owner and CEO
