

Request for Qualifications (RFQ)

ADDENDUM #1

DECEMBER 31, 2025

Design Services for Renovations to the Historic Salisbury Train Station - Restoration of Waiting Area for Amtrak Use & Development of a Multi-Modal Transportation Hub

Bid Number : 011-2026

1. Interested firms must be pre-qualified with the North Carolina Department of Transportation (NCDOT) or must have submitted a complete application to NCDOT for pre-qualification prior to submittal of the RFQ response. Firms must be pre-qualified prior to award. Firms may pre-qualify by visiting the following link:
<https://connect.ncdot.gov/business/Prequal/pages/default.aspx>
2. This project requires pre-qualification in the following NCDOT Work Codes:
 - 107 – Historic Passenger Station Renovations
 - 132 – Landscape and Streetscape Design
 - 517 – Multi-Modal/Transit & Rail Development Architectural Services
3. To accommodate questions potentially generated during Depot tours on January 6, 2026, the City is extending the deadline to submit questions regarding the RFQ to Wednesday, January 7, 2026 at 5 pm.
4. Many firms have requested the project budget. The project is funded by federal, state and local funds totaling \$11.7 million, including acquisition, which was \$3.5 million. As plans develop, we will review anticipated costs.
