Fire Prevention Week Oct. 3-9

Salisbury Fire Department will join the national campaign to celebrate Fire Prevention Week, Sunday, Oct. 3 – Sat., Oct. 9.

The theme of the 2021 Fire Prevention week campaign is: "Learn the Sounds of Fire Safety!" This year's theme seeks to better educate everyone about the sounds of smoke alarms, what they mean, and how to respond to them.

Salisbury Fire Department truly cares about fire safety and would like to share safety tips to keep you and your family safe:

- Respond immediately to smoke or carbon monoxide (CO) alarm sound by exiting the home.
- A single "chirp" every 30 or 60 seconds means the battery is low and must be changed.
- Test all smoke and CO alarms on a monthly basis.
- Install a bed shaker and strobe light alarms if someone in your household is deaf or hard of hearing
- Know the difference between the sound of a smoke alarm and a carbon monoxide alarm. A continued set of three loud beeps are for a smoke alarm. A continuous set of four loud beeps means carbon monoxide is present in your home.

Don't forget as we "fall back" on Sunday, Nov. 7, to change your battery-powered smoke detectors. For more information about Fire Prevention Week, visit firepreventionweek.com.

BLOCKWORK

The 2021 BlockWork neighborhood revitalization project on the 600 and 700 block of S. Ellis Street is set for Tuesday, October 19 Lowes 'Red Vest Day' and Saturday, Oct. 23, on the annual "Make a Difference Day."

Volunteers are needed to help preserve the beauty and charm of the neighborhood. Projects will include carpentry, painting, landscaping and general clean-up in a one-block area. According to the Center for Disease Control (CDC) masks are not required for those outdoors, but masks and social distancing are encouraged.

To volunteer, sign up online at salisburync.gov/BlockWork, call (704) 638-5240 or email blockwork@salisburync.gov for a hard copy.

EMPLOYEE SPOTLIGHT

Atalie Bare, Senior Administrative Specialist

This month's employee spotlight is Atalie Bare, a Senior Administrative Specialist. She works as a part of the administration team in the clerk and mayor's office. Atalie performs administrative duties and acts as a liaison between departments and the public daily. She previously worked as a Customer Service Representative at the Salisbury Customer Service Center.

My favorite part of my job is that most days bring something different. One thing I can say is that no matter what position you hold, it always takes a team effort. I have found I have the best coworkers that not only support the City and residents, but also myself every day.

City Council:

Mayor Karen Alexander, Mayor Pro Tem Al Heggins, Brian Miller, David Post, Tamara Sheffield
City Manager W. Lane Bailey
