Moonlight Basketball

Beginning this past October, Salisbury residents with assistance from Parks and Recreation staff members, started a Moonlight Basketball Program for local youth 13-19 years of age on Saturday evenings at Hall Gym. The games typically start at 8 p.m. and end at 10 p.m. and last through April 2017. During the evening events, players take a break during the games for life discussions and resume shortly thereafter. Three-point contests and other competitive contests are also planned. The program is an effort to provide young boys and girls with alternate recreational activities in the late evening hours. The program is free to all children and no registration is required. However, parents or guardians are required to complete paperwork. Please call (704) 216-PLAY for more information.

Holiday Storefront Decorations Award Winners

Salisbury’s Community Appearance Commission (CAC) members recently selected winners for the annual Holiday Storefront Decorations Awards. This is the 12th consecutive year of applauding downtown merchants whose window displays best celebrate the holiday season.

The jury of CAC members Leovina Corry, Laurie Kraus, Thomas Lyons, Shelley Harper Palmer, and Tamara Sheffield enjoyed viewing over 40 seasonal displays created by downtown businesses. After a spirited discussion, the group selected the following seven awards to honor the seasonal creativity of the shopkeepers.

And the winners are:
- Education Advocacy In The Arts Inc. Christmas Extravaganza Award Salisbury Wine Shop
- Most Nostalgic Award - The Lettered Lily Design Studio Best Use of Merchandise Award Skinny Wheats Bike Shop
- Geared Up For Christmas Award - Timeless Wigs & Marvelous Things Most Improved Display Award F&M Bank’s Easy Street
- Best Streetscape Award - Textile Products Incorporated Best Overall Award

There are many wonderful holiday displays in the downtown windows this year, and the jury always struggles to narrow down to a handful of awardees. The CAC thanks all the owners and staff who decorate their storefronts for the holidays and throughout the year, making downtown Salisbury such an enjoyable place to live, work, visit and shop.
