Council Approves Budget For 2018-19 Fiscal Year

“This has been a difficult year financially with little growth in property taxes but we have a strong budgeting process in place,” said City Manager W. Lane Bailey. “There are positive outlooks on our horizon including the recent approval of the lease of our broadband utility to Hotwire Communications. We are happy to have a budget that will aid in advancing the City’s goals and maintain our strong commitment to public safety and core municipal services.”

Salisbury City Council voted on Tuesday, June 19 to approve the fiscal year July 1, 2018- June 30, 2019 (FY19) budget.

The $84,907,408 balanced budget reflects a 1.4% increase in spending from the FY18 adopted budget. City Manager W. Lane Bailey recommended the adopted one-cent tax increase for homeowners to maintain existing services at current levels. The one-cent tax increase equates to an average, additional $133.55 for homeowners with a median home value of $335,500 in Salisbury.

The FY19 budget highlights include:

- $250,000 Newseome Road Extension (reimbursement from Transportation Improvement Funds by 2019/2020)
- $350,000 Enterprise Resource Planning Software
- $400,000 Housing Stabilization and Revitalization Plan
- $350,000 Bell Tower Greens Park
- $361,500 Roof and HVAC replacements
- $400,000 Fire Station Construction (to be reimbursed with future debt)
- $850,000 Quiet Fire Truck
- $2,424,000 Additional Police Vehicle

$1.00 Expenses per tax dollar:

A recommended 2.15% water and sewer increase based on the Consumer Price Index for urban consumers for the South Region (CPI-U). The increase equates to an additional $1.45 per month (or less than $0.05 per day) for customers using 5,000 gallons. Increased funding was approved for water and wastewater rehabilitation projects. Several larger Capital Improvement Plan projects were also funded including the Grant Creek pump station and screenings project - infrastructure designed to move partially-treated wastewater from a lower to a higher elevation for further treatment.

Stormwater fees were also revised to provide a more equitable distribution between residential and non-residential customers. Residential customers should see a slight reduction in their stormwater bills as the Equivalent Residential Unit rate (ERU) adjusts for commercial properties with larger areas of pavement surfaces. The new structure is expected to provide funding for several projects needed to reduce flooding and pollution in Salisbury.

The budget also included a Cost of Living Adjustment (COLA) of 1.8% for all employees, and a 1.2% average merit increase to compensate employees at rates that reflect inflation, while establishing a merit system to recognize outstanding service and retain high-quality employees.

A public hearing on the budget was held Tuesday, June 5 at City Hall, where residents were able to voice their opinions prior to the Council vote today.

Reminder To Protect Your Car

Did you know that in the past year around 388 vehicles have been broken into in the City of Salisbury? In an effort to reduce theft from cars, the Salisbury Police Department (SPD) is launching a campaign to remind residents to “Lock It, Take It, or Lose It.”

If you’re running into the store for a case of Cheerwine, that’s too long to leave your vehicle unlocked and unoccupied. SPD reported that 80 percent of break-ins resulted in the vehicle being unlocked or leaving valuables where they can be easily seen. Be sure to lock your car doors, taking valuables with you, or storing them away in your trunk can help reduce the risk of thieves stealing from your car.

You might be wondering what items thieves typically look for? The answer is EVERYTHING, but here are some tips on how to keep your valuables safe:
1. Never leave electronics, such as cell phones, laptops, GPS devices or iPods in plain sight.
2. Be sure to hide all loose change.
3. Always park in well-lit areas and avoid concealment from larger vehicles.
4. Remove purses or book bags.
5. Completely close windows and sunroofs.

LOCAL WOMAN THANKS RESCUERS

On Monday, July 17, 2017, Kendra Whittaker was trapped in her Toyota car for about an hour while responders worked to free her. She was then airlifted to Wake Forest Baptist Medical Center in Winston-Salem. After multiple surgeries and a year of recovery, Kendra stopped by Fire Station 1 today to thank the firefighters who helped her.

CITY VISITS OLD PLANK RD RESIDENTS

Good morning Dr. Flank Road resident! We are meeting our neighborhoods this morning in advance of the Tuesday, June 26, Chit, Chat & Chew at J.C. Price Legion Post.

BEAT THE HEAT WITH RUFY HOLMES

Are you looking to beat the heat? Well look no further because Salisbury Transit provides bus rides to the Rutby-Holmes Senior Center and its two lunch club sites! For more information about Salisbury Transit routes, visit salisburync.gov/transit.

S&D OFFICERS TREAT LOCAL SCHOOL KIDS

Today our officers delivered ice cream to our teachers at Salisbury High School, Henderson High School, Knox Middle School and Wiley Lash Read Start. We really appreciate our educators and what they do for the children in our community.

DIVISION CHIEF REACHES 25 YEARS

Congratulations on 25 YEARS OF SERVICE to Division Chief Jay Baker, who shows that even after all that time - he’s not above picking up some hose with the crews after a reported apartment fire. Congratulations, Chief - your service is an inspiration and example to all.
